HALL OF FAME NOW REALITY

It finally came to pass.

The dream became reality.

The doors to the National Bowling Hall of Fame and Museum opened at last.

The long awaited moment took place June 2, 1984, in St. Louis, Mo., amid the expected celebration and fanfare.

Bowling dignitaries from the United States and around the world came to get the first glimpse of the $7.5 million structure which was eight years in the making.

All agreed that the NBHF/M was well worth the wait and the expense. The museum will be paid for entirely by private funds and donations from bowlers themselves.

WIBC members have played and will continue to play a vital role in raising those funds.

Three bowling leaders collaborated in cutting the "ribbon" of telescore sheets to officially open the museum. They demonstrated that the project was a joint effort of the bowling family.

Mrs. Helen Baker, WIBC president; H. Wesley Bogle, immediate past president of the American Bowling Congress; and Harry Wells, Bowling Proprietors' Association of America president, had the honors.

WIBC and ABC Hall of Fame members arrived in a special motorized tram and were introduced to the crowd, which was estimated at 2,500.

Principal dedication day speaker Alex Cranstoun of the exhibit design firm of DeMartin-Marona-Cranstoun-Downs, Inc., told the crowd:

"We committed ourselves to the creation of a Hall of Fame that would break new ground and set standards. This is truly a unique and exceptional facility."

The night before, some 800 attended a pre-dedication banquet as national and local media were given a preview of the new shrine.

What the visitors saw were 10 major sections that combine to tell the story of bowling.

The three-level, 50,000 square foot building houses: Tenpin Alley, capturing bowling's past; Great Moments, depicting historic performances; Hometown Heroics, listing top local bowlers; the WIBC and ABC Halls of Fame, displaying the all-time greats; the Oldtime and Modern Lanes, offering actual bowling; Busch Theater, showing "The World of Bowling;" Star Talk, bowling's stars on video disc; and the Pin and Ball collection.

All in all, the National Bowling Hall of Fame and Museum was what bowling wanted all along, a dream come true.

"The selection of WIBC to receive the award . . . means very simply that we not only have done what we were organized to do, but that in the eyes of some we have done it very well."

1983-84 Season Review

WIBC took steps to move women's bowling boldly ahead during 1983-84, with the most significant event in an eventful season coming with United States Olympic Committee recognition of bowling.

The USOC House of Delegates unanimously endorsed WIBC, and the American Bowling Congress, as the governing body for the sport of bowling in the United States. The action was taken at USOC meetings April 5-7.

Group C membership status was granted, which placed bowling as a non-venue, or non-medal, sport. Voting rights in the USOC House of Delegates were also granted.

The long sought after recognition opened the door for bowling's future inclusion as a medal sport. The first step — and bowling's next goal — will be to gain acceptance as a demonstration sport in a future Olympic Games, perhaps in 1988. Bowling could then apply for Group A membership status, which includes eligibility for consideration as a medal sport.

WIBC expects to be in the forefront of that effort along with other members of the bowling family, just as it was in 1983-84.

The action by the USOC House of Delegates followed recommendation for approval from the USOC membership committee, which heard a presentation from WIBC and ABC officials.

Representing WIBC were Mrs. Agnes Duffy, first vice president and chairman of the international competition committee, and Miss Nancy Tatum, assistant secretary-treasurer.

The recommendation of the USOC membership committee submitted to the delegates' meeting was for:

"Approval of the Women's International Bowling Congress and the American Bowling Congress as that national governing body for the sport of bowling and as a Group 'C' member of the USOC. The applicant is a member of the Federation Internationale des Quilleurs, which is the international federation recognized by the International Olympic Committee. The applicant complies with Article IV, Section 6 of the USOC Constitution and further, substantially complies with the criteria for national governing bodies applicable to Group 'A' members."

Delegates to the 1984 WIBC Annual Meeting in Niagara Falls, N.Y., later approved amendments to the WIBC Bylaws and Rules and adopted a resolution amending WIBC's Articles of Incorporation, which established the Congress as an amateur organization meeting the requirements of the USOC.

Recognition for WIBC was also forthcoming in another way during the season. The Women's Sports Foundation honored WIBC with its 1983 Outstanding Contribution Award for Non-Profit Organizations.

Presentation was made September 26 at the Women's Sports Foundation Awards Program in New York, N.Y. Mrs. Helen Baker, Cocoa Beach, Fla., WIBC president, and Miss Flora Mitchell, Greendale, Wis., WIBC executive secretary-treasurer, were on hand to accept the award.

Mrs. Baker said in her acceptance speech: "The selection of WIBC to receive the award as a non-profit corporation for outstanding contributions to women in sports means very simply that we not only have done what we were organized to do, but that in the eyes of some we have done it very well."

The award sponsored by the American Express Company was presented to WIBC for its 67 years of continuing commitment and dedication to women in sports. WIBC was elected to receive the honor by the Women's Sports Foundation Selection Committee comprised of the organization's board of trustees and advisors.

WIBC also took steps during the season to move its members more prominently into the ongoing administration of bowling as a whole with initiation of the Certified Lane Inspector Workshop (CLIW) program jointly with ABC.

The purpose of the CLIW program is to provide a high degree of training to improve inspecting skills and to train inspectors to be uniform and consistent in carrying out their responsibilities. With WIBC involvement, women will play a more active role in lane inspections, a task per-

formed predominantly by men in the past.

Goals of the program call for training 6,000 lane inspectors, both men and women, within the next four to five years. Forty-three workshops were held throughout the country during 1983-84 certifying 158 lane inspectors.

Two instructors presented the workshop program to classes composed of 12 students, six women and six men. They looked at all aspects of lane construction as well as certification and inspection procedures. The instructors, including WIBC staff and board members, gained their expertise through Train the Trainers workshops, which were developed with the help of the National Bowling Council.

Along with its involvement in the CLIW program, WIBC also took another step forward in the area of lane certification. On August 1, start of the 1984-85 season, WIBC joined ABC in jointly administering and financially supporting the certification department, which benefits all bowlers.

Not only did WIBC move ahead in these areas during the season, it also, in the words of Mrs. Baker, performed the basic tasks for which it was organized and did them well.

Championship Tournament

Niagara Falls, N.Y., hosted the 65th annual WIBC Championship Tournament for the first time in its history in 1984, and the results could not have been more pleasing for all concerned.

The city by the famous falls welcomed tournament entrants with open arms. Signs and posters throughout the city welcomed tournament participants. Merchants offered discounts to bowlers and made every effort to make them feel at home.

WIBC bowlers responded enthusiastically to the city and the tournament. Many said they had never received such a warm reception. The entry total of 9,074 five-woman teams ranks fifth in tournament history.

Thunder Bowl hosted team competition, and Beverly Lanes the doubles and singles events. The tournament opened April 5 and ran 66 consecutive days, sixth longest on record, closing June 9. Entrants competed for $882,118, second richest prize fund in tournament history.

Japanese bowlers took home two titles, team and all events. All Japan captured the team crown with 3019, fifth highest score on record. Shinobu Saitoh accounted for the second title, bowling 1922, tying as seventh highest all events score ever.

Saitoh anchored the Japanese team and led it with 660. Kazue Inahashi bowled

657; Satoko Imaizumi added 629; Michiko Shono 543; and Fujio Matsuzaki 530. The team's 1101 third game ranks third on the record books.

Saitoh added 694 in doubles and 568 in singles to become the second Japanese bowler to win two WIBC titles. Akiko Yamaga won singles and all events in 1977. Japan also won the WIBC team title in 1980.

Freida Gates, N. Syracuse, N.Y., earned the singles title with a one-pin victory over Sharon Powers, Wheat Ridge, Colo. Gates powered 259, 248 and 205 for 712.

Two Californians, Bea Hoffmann and Sue Reese of Novato, combined for 1292 to win doubles. Their score ranks sixth highest on record. Reese led the pair with 674. Hoffmann bowled 618.

Kazue Inahashi liked the result at the end of the lane during the Avon / WIBC Queens and the results at the end of the tournament as well.

"It is time that the bowling family recognized that 'women,' as in Women's International Bowling Congress, should have a greater say in what goes on in the bowling industry."

Queens Tournament

Kazue Inahashi defeated defending champion Aleta Sill, Cocoa, Fla., 248-222 in the dramatic final game of the stepladder finals to win the 1984 Avon/WIBC Queens title and $25,850, including match money.

Inahashi's victory marked the third time in four years a Japanese bowler has claimed the coveted Queens crown. Katsuko Sugimoto earned back-to-back victories in 1981 and 1982.

Avon sponsorship for the fifth consecutive year again boosted the prize fund to one of the richest for a women's bowling event of this type. The total prize fund was $100,000 with $25,000 slated for the winner. As a result, the 481-bowler field was quickly filled.

Sill went undefeated in match play to gain the top qualifier position in the five-player finals. Inahashi qualified No. 2, losing only to Sill in the final position round match.

Completing the finals field were Cheryl Daniels, Detroit, Mich., No. 3; Alayne Blomenberg, Cranston, R.I., No. 4; and Phyllis Notaro, Brant, N.Y., No. 5.

Blomenberg defeated Notaro, a WIBC Hall of Fame member, 184-183 in the first finals match, then downed Daniels 187-172. But she proved no match for Inahashi, losing 223-177.

Inahashi and Sill matched strikes for five frames in the championship game, with the Japanese pro holding a two-pin edge. Inahashi locked out Sill when she struck out in the 10th.

Sill earned $14,600 as runner-up, giving her $40,600 for the last two Queens events. Blomenberg earned $8,800; Daniels $5,700, and Notaro $4,500. Completing the top eight were: Vesma Grinfelds, San Francisco, Calif., sixth, $3,550; Dana Miller, Albuquerque, N.M., seventh, $2,500; and Charlene Szklenski, Harborcreek, Pa , eighth, $1,900.

The Queens finals were televised by the TVS Television Network for synicated showing on a tape-delayed basis during June.

Annual Meeting

The 1984 WIBC Annual Meeting will stand out in years to come as the one at which the Congress aligned itself with United States Olympic Committee standards through passage of key legislation.

As mentioned earlier in this review, the delegates approved a proposed amendment package establishing WIBC as an amateur organization according to USOC guidelines.

A total of 3,737 delegates,

Helen Baker, WIBC president, holds the key to Niagara Falls presented by Mayor Michael O'Laughlin during the 1984 WIBC Annual Meeting.

second most on record, were part of that historic occasion. Meeting April 30, May 1 and 2, they adopted 10 proposed amendments to the WIBC Bylaws and Rules and to the bylaws and rules of local and state associations, which included the "Olympic" package. They also rejected nine proposed amendments.

The legislation included a provision providing for a National Amateur Championship Tournament, which would qualify competitors for future Olympic and other international competition. This would be a separate event from the WIBC Championship Tournament.

Delegates rejected a proposal which would have allowed bowlers to become members of more than one local association and defeated the perennial effort to reduce the number of delegates representing an association.

The delegates reelected Mrs. Baker to her second term as WIBC president. Mrs. Baker keynoted the 67th Annual Meeting by saying:

"It is time that the bowling family recognized that 'women,' as in the Women's International Bowling Congress, should have a greater say in what goes on in the bowling industry."

Also reelected were two vice presidents and five directors. They were: Mrs. Gladys Banker, Charles Town, W. Va., and Miss Dorothy Rowe, Phoenix, Ariz., second and fifth vice presidents, respectively, and directors Mrs. Barbara Bates, Mystic, Conn.; Mrs. Beatrice Lane, Ossineke, Mich.; Mrs. Mitzi Herold, Aiken, S.C.; Mrs. Trudy Todd, Denver, Colo.; and Mrs. Nancy Chapman, Green Bay, Wis.

Mrs. Pearl Keller, Chappaqua, N.Y., was elected a director to succeed Miss C. Jean Shonka, Brigham City, Utah, who was not a candidate for reelection. Miss Shonka was elected a Member Emeritus.

Two women were inducted into the WIBC Hall of Fame, bringing to 82 the number enshrined in the hall. They were Joy Abel, Lansing, Ill., and Loa Boxberger, Russell, Kan.

cepted the award from Mrs. Baker.

Mrs. Baker also presented the first "WIBC Spotlight Awards" recognizing outstanding state and local associations. Two states, Ohio and Montana, and five local associations: Hannibal, Mo.; Napa-Sonoma, Calif.; Lake Havasu City, Ariz.; and Austin and Houston, Texas, received awards. The presentations were made in categories based on membership.

Balloting was not held to select the site for the 1988 WIBC Championship Tournament and Annual Meeting as those events were previously awarded to Reno and Carson City, Nev. Mrs. Baker made, and the Board approved, the selection when for the first time no invitations were extended.

State Leaders Workshop

The 16th WIBC State Leaders Workshop was held July 14-15 in Milwaukee, Wis., with a near-record 245 state women's bowling association leaders attending the two-day session.

The state leaders participated as never before in the workshop, which was developed around a theme of "Go for the Goals." Group discussion and a television game show style segment got the leaders involved.

Dividing into 10 sections, they took part in group discussions on various pertinent topics. Selected leaders served as facilitators and later presented reports. The game show segment involved teams of leaders who answered questions on rules and procedures.

Mrs. Helen Baker, WIBC president, told the leaders change was inevitable in successfully managing a women's bowling association. Presentations were also made on such topics as the Certified Lane Inspectors Workshop program, problems in parliamentary procedure, gaining more publicity and planning and selecting facilities for meetings.

FIQ World

The United States women's team carried home three medals — two silvers and one bronze — from the 10th World Amateur Bowling Championships of the Federation Internationale des Quilleurs in Caracas, Venezuela. However, it was the first time the U.S. women did not win a gold in the world competition.

The event ran October 20-29, drawing amateur bowlers from a record 37 nations with 206 men and 175 women competing. Twenty-eight scoring records were set, 14 by the women and 14 by the men.

Cathy Almeida, Blackwood, N.J., captured the silver medal in the individual event. A three-woman U.S. team — Dixie Kirk, Belvidere, Ill.; Yvonne Dowland, Artesia, Calif.; and Janine Ditch, San Pedro, Calif. — shared the silver medal in women's trio with the Philippines. And the U.S. team, which included

the women already mentioned plus Mary Mohacsi, Livonia, Mich., and Marion Brisk, Bethpage, N.Y., won the bronze.

The U.S. men earned one gold, one silver and two bronze medals. Tony Cariello, Chicago, Ill., won the individual title, the only gold for the U.S. team.

Sweden dominated the event held at a new 40-lane center in suburban Mampote, winning five gold, three silver and three bronze medals. The U.S. won seven medals in all, Japan and the Philippines, three each.

Lena Sulkanen of Sweden earned the individual title but barely survived Almeida's strong challenge. In the two-game finals, Almeida edged Sulkanen 404-393 to force a one-game roll-off for the first time in FIQ competition. Cathy split in the 10th frame, losing the gold 213-200.

Mrs. Mohacsi's bronze medal in the five-woman event was her sixth medal in FIQ competition. Previously, she had won two golds, one silver and two bronze medals in two American Zone tournaments.

IABT Event

In what might well have been bowling's prelude to inclusion in the Olympics, 48 bowlers from the U.S. and 14 other countries squared off in the International Amateur Bowling Championships.

The event was held at Sam's Town in Las Vegas, Nev., just a few hundred miles from Los Angeles, Calif., site of the Olympics. It was held August 1-4, while the Olympics were underway, and the finals were televised live by the CBS Network.

Mary Mohacsi added another triumph to her international record by defeating Jette Hansen of Denmark 191-181 in the final match of the women's stepladder finals.

Hansen was the top qualifier after 18 qualifying games and 10 match-play games. Mohacsi and Laura Dulisse, Blauvelt, N.Y., 1983 Alberta E. Crowe Star of Tomorrow,

Top, Cathy Almeida (l) earned second in the FIQ World individual event. Sweden's Lena Sulkanen won; Kumiko Inatsu, Japan, was third. Bottom, Mary Mohacsi won the IABT women's title and Paeng Nepomuceno the men's.

joined her in the finals. In the first match, Mohacsi downed Dulisse 225-155.

Paeng Nepomuceno of the Philippines won the men's title, defeating Jack Jurek, Lackawanna, N.Y., 227-181. Darold Meisel, Muskego, Wis., was third.

The U.S. finishers later visited the White House, along with Mrs. Helen Baker, WIBC president, and Roger Tessman, ABC executive secretary-treasurer, to be congratulated by President Reagan and Vice President Bush.

Senior Tournament

Women from four different states captured titles in the 3rd Annual WIBC National Senior Championships held May 12-13 in Reno, Nev.

The largest entry yet, 131 women from 45 states and three Canadian provinces, bowled in the tournament, which was held once again in conjunction with the American Bowling Congress National Senior Tournament.

The women competed in four age groups and the winners in each group were: Roberta Koon, Charleston Heights, S.C., Class A, 70 years and over; Edith Naile, Elaine, Ark., Class B, 65-69; Gerry Cutler, Claremont, S.D., Class C, 60-64; and Estelle Sinclair, Sublette, Kan., Class D, 55-59.

Cutler set a tournament record with her 1932 winning total, which included bonus pins and handicap. Her 240 game and 659 series, both including handicap, also set records.

Tournament participants qualified through senior tournaments in their home states. In Reno they bowled two three-game qualifying blocks with the top four in each division advancing to three more games in match play.

Collegiate Events

Suzette Mitchell, Falls Church, Va., won the all events title in the 1984 Women's National Intercollegiate Bowling Championships on the WIBC tournament lanes in Niagara Falls, N.Y.

Edith Naile relaxes while her son checked her championship scores at the WIBC National Senior Tournament.

The Virginia Polytechnical Institute freshman totaled 1680 for her nine games, beating Jan Schmidt, Hammond, Ind., an Indiana State-Terre Haute sophomore, by 10 pins. Those two also teamed for 1152 to win the doubles event.

Michelle Elkienbaum, Cooper City, Fla., a University of Florida sophomore, barely beat Mitchell for the singles title 624-622 as the Virginia righthander threatened to become only the third woman in the event's 23-year history to win all three titles.

Mitchell bowled 549 in doubles to go along with her 622 in singles, and then added 509 in the all events portion.

Top college teams met in the National Collegiate Bowling Championships May 4-6 at Saratoga Lanes in San Jose, Calif., and it was the Indiana State-Terre Haute women and Buffalo State University men emerging as winners.

Indiana State defeated California State-Fresno 195-152 in the championship match. California State had defeated Penn State 167-165 in the first finals match to move up against the top seeded Indiana State squad.

Buffalo State University from Buffalo, N.Y., defeated top seeded Penn State 150-144 in the championship match. In the first match, Buffalo State downed Wichita State University 143-133.

Twenty-four teams competed in the NCBC event, 12 women's and 12 men's. The Baker scoring system, where

one team bowls one 10-frame game, is used in the finals.

Membership

WIBC membership totaled 3,886,718 for 1983-84, eighth highest total in the Congress' 67 years. It marked the fifth consecutive season of membership decline.

The final figure was 80,506 below the previous season's total. However, the 2.04 percent decrease was less than the previous season's 2.89 percent drop.

Leagues totaled 157,607, showing a decrease of 2,662 over 1982-83. Again, the percentage of decrease, 1.66 percent, was less than the previous season's 2.06 percent.

Michigan led the way among state associations for the fourth consecutive season with 322,505 members. New York was second with 310,876. Ohio was third with 304,864; and California was fourth with 283,948.

California topped all states in leagues with 15,879. New York was second with 11,958. Ohio was third with 11,087; and Michigan was fourth with 10,240.

Detroit, Mich., easily topped all local associations in both leagues and members. The perennial leader in both those categories totaled 109,023 members bowling in 3,370 leagues.

Chicago ranked second in both categories with 72,611 members and 2,544 leagues. Milwaukee, Wis., was third in both with 44,645 and 1,915. Minneapolis, Minn., ranked fourth in members with 42,266 and Denver, Colo., was fourth in leagues with 1,833.

Top Scores

Several scoring records, an all-time high league average and a record number of perfect games all went on the books during 1983-84.

Alayne Blomenberg, Cranston, R.I., bowled 2240 in the 1984 Greater Providence WBA tournament at Cranston Bowl for a WIBC individual

Alayne Blomenberg cut an imposing figure on the lanes during 1983-84, setting a WIBC scoring record, bowling three perfect games and one 800 series.

Three who embellished their own on-the-lane records were: Patty Ann (l) with a record average (she knows what she teaches); Jeanne Maiden (center) with her ninth 300 game; and Anne Marie Pike with three 300s.

nine-game record. Her score eclipsed the 2111 by Emma Preambo, Scranton, Pa., in 1981-82.

Blomenberg rolled 812 in team competition on games of 300, 279 and 233. Her series ranks 11th highest in WIBC sanctioned tournament play. In doubles, Blomenberg bowled 729 on 256, 194 and 279. She finished her competition with 699 in singles on 225, 239 and 235. The righthander won four tournament titles: team, handicap doubles, scratch singles, and all events.

Anne Marie Pike, Cypress, Calif., set two WIBC marks, for individual four-game and eight-game series, while competing in the Ladies Professional Bowlers Tour Bonanza Classic at Satellite Bowl in Dearborn Heights, Mich.

Bowling August 3, 1983, the 20-year-old righthander bowled 166, 269, 196, 204, 299, 300, 243 and 300. She totaled 1977, breaking the record of 1973 by Cathy Almeida, Blackwood, N.J., in 1980-81.

Pike's 1142 in the final four games topped the 1083 by Patty Ann, Springfield, Ill., in 1982-83. Her fourth, fifth and sixth games of the set totaled 803.

Stonehedge Place, Akron, Ohio, established records for four-woman team three-game series and four-woman team game. Bowling December 14, 1983, in the Colonial Village Lanes Women's All Star Classic League, the team posted a 2712 series, including a 954 game.

The Paper Pros, Canoga Park, Calif., established a three-woman team four-game series record during the season with 2756 in a Canoga Park Bowl league.

Patty Ann rolled to a record 232 average over 60 games in the Strike N' Spare Singles League at Strike N' Spare East Lanes in Springfield, Ill.

Patty's performance marked the second consecutive season she has set a new WIBC average mark and the third time in the last five seasons. During 1982-83 she posted 228, breaking her own record of 227 set during 1979-80. Paulette Karwoski, Scranton, Pa., shared the old record at 228.

WIBC members bowled 121 perfect games during the season to surpass the previous high of 108 established during 1982-83. Some 113 women contributed to the new season high with six

recording more than one perfect game.

Blomenberg and Pike each authored three during the season. They were the fifth and sixth WIBC members to bowl three in one season. Bowling two each were: Tish Johnson, Whittier, Calif., who now has six career 300s; Marcia Shehan, Livermore, Calif.; Denise Shoemaker, Lehighton, Pa.; and Debbie Timberlake, Blue Springs, Mo.

Jeanne Maiden, Solon, Ohio, added another perfect game to her record, giving the WIBC leader in perfect games a career total of nine.

Other highs during 1983-84 included the 834 three-game series by Loral Anderson, Redwood City, Calif., which ranks second highest ever bowled in a WIBC league. Anderson rolled 299, 267 and 268 in the Mel's 1000 Classic League at Mel's Redwood Bowl.

In addition to Anderson, Blomenberg and Pike, five other women bowled 800 series: Aleta Sill, Cocoa, Fla., 815; Terry Eddy, Manhattan, Kan., 812; Dina Jones, Drayton Plains, Ga., 810; Shellie Johnson, Toledo, Ohio, 802; and Marcia Shehan, 800.

Canadian Club, Kenilworth, N.J., led the nation in five-woman team series and team game categories and nearly set a record in the process. The team bowled 3378 April 25 in the 945 Major League at North Arlington Bowl-O-Drome. The series included a 1201 team game.

The series total was one pin short of tying the 24-year-old record by Freeway Washer & Stamping Co., Cleveland, Ohio, in 1959-60. The team game ranked third all-time.

The WIBC awards program recognized more than 95,000 women during the season for special bowling achievements. Categories and the number of awards presented were:

Triple Score	35,681
100 Pins Over Average	27,375
All Spare	25,187
Big Four Split	3,506
Dutch 200 Game	1,829

President's Report

Niagara Falls, N.Y.
April 30, 1984

To the Board of Directors and delegates:

Welcome to the 1984 Annual Meeting of the Women's International Bowling Congress, our 67th convention. This year our meeting is being held in beautiful Niagara Falls, N.Y., right across the river from our good Canadian neighbors.

It is the first time we have been back in New York State since our memorable 50th Anniversary in Rochester in 1967. And wasn't that a special occasion! We are really pleased to be back with our many friends in New York.

For the previous two years of my presidency I have talked about decreasing membership and urged you to promote new bowlers. We need members! And we depend on you, as has been said so many times, to get them. Our membership at the end of 1982-83 was 3,947,229 — below four million members for the first time since 1976. The number of sanctioned leagues was down from 163,639 to 160,269. But our affiliated local associations for that period numbered 2,788, which is three more than we had at the end of 1981-82.

WIBC has endeavored to give you promotional ideas and the tools to implement them. But our membership is still decreasing. Perhaps it is time to look at our game and recall what there was about bowling that attracted us in the first place. Why did we start bowling? Did one of our friends suggest we go with them? Did a member of our family — husband, child or children — urge us to join them? Once we started, what kept us interested? When we look back and see what interested us, we will know how to get others interested.

One of the very dominant groups, which has been interested in doing everything that it can to promote bowling and keep the standards for bowling high for many years, is the American Bowling Congress. For years ABC has been the organization which, through its certification department, has certified lanes, a necessary step before ABC or WIBC issues league or tournament sanctions or recognizes high scores. We have depended on them for a long time for this service to our members.

> "Perhaps it is time to look at our game and recall what there was about bowling that attracted us in the first place . . . When we look back and see what interested us, we will know how to get others interested."

Several years ago, we suggested that you let the local men's association know you were interested in learning how to certify a lane or inspect it after a high score had been bowled. A big step in that direction, at the national level, has been the launching of the Certified Lane Inspector program, which we told you about a year ago and which is definitely off to an auspicious start.

Working with the program developed by the National Bowling Council, WIBC and ABC have conducted Train the Trainers sessions and then Certified Lane Inspectors Workshops. We are so pleased that so many of our members have indicated an interest in learning these skills and have taken part in the workshops already conducted.

This is a long range program and I am sure that many of you will have participated in it before it is over. As a result, we will have a well qualified group of our members who are capable of doing what needs to be done for our members.

Now, ABC has invited WIBC to become a partner in the certification department. Our Board of Directors authorized us to accept this invitation and starting August 1, 1984, WIBC will be participating in the administration and financial support of the certification department which benefits all bowlers: men, women, or juniors.

ABC has also invited us to participate in the testing department, the high score processing department and the new equipment committee and that invitation is under consideration. This might require some legislative changes by both ABC and WIBC and you would be given full details at such time as the proposed amendments were offered.

We believe that it is time for WIBC, on behalf of its almost four million members, to contribute to some of the basic requirements of our sport.

And speaking of contributions, perhaps some of you saw the many press releases and news bulletins, which told the world, I hope, about WIBC receiving the award for Outstanding Contributions by a Nonprofit Corporation to Women in Sports, presented by the Women's Sports Foundation.

I had the honor of accepting that award and in doing so stated that one of the purposes for which WIBC was organized was: "To have and exercise a general care and supervision over all WIBC members and to maintain and increase internationally

the interest in the bowling game by women."

And the fact that we were being given the award indicated that not only had we done what we were organized to do, but that in the eyes of some we had apparently done it exceedingly well.

The Women's Sports Foundation is an organization which was formed for the purpose of promoting the involvement of women in sports, and to provide opportunities for that involvement. Under its auspices a conference called "The New Agenda" was held in Washington, D.C., in November. I was asked to be on one of the panels.

Among the subjects discussed were: Physiological Concerns of Women in Sport, Promotion and Public Acceptance of Women in Sport (which was the panel I was on), Resources for Women in Sport and Fitness, Organization and Regulation of Sport for Women, etc.

One of the sponsors of the Women's Sports Foundation is Avon Products, Inc. WIBC has known for years what an outstanding supporter of women's sports Avon is because they will be sponsoring our Avon/WIBC Queens Tournament for the fifth time here in Niagara Falls. Largely because of their support, this has become the most prestigious tournament in the country for our high average women bowlers. We really appreciate Avon's sponsorship.

WIBC is constantly looking for ways to better serve its members and I would like to tell you about a new project which will be inaugurated in Toledo, Ohio, next year, a souvenir program book. We will be sending a complimentary copy to each team captain with additional copies on sale at the tournament site. Putting the program book together will be the responsibility of WIBC, as will the sale of the copies during the tournament. Included in the book will be statistical information, as well as appropriate stories and articles.

You will be getting a report about the progress of our National Bowling Hall of Fame and Museum during this meeting, but I would like to express my thanks to all of you for the many projects you have undertaken and the many hours you have spent raising funds for this beautiful building.

Please don't stop now! Even though the Hall of Fame and Museum will be opening later this year, it does not mean that the need for funds will stop at that time. Like most of our homes, there will be an interest bearing mortgage which needs to be paid off, and while we certainly hope that eventually it will be self supporting, it may need some help with maintenance and upkeep for the first year or two. So please continue to help.

I could not close this report without telling you that I think your support of our WIBC Championship Tournament is outstanding. Last year, you know, we set a record in Las Vegas with our entry. This year, because so many of you wanted to come, we extended our tournament closing date twice. Based on these figures, we know we will have another good entry in Toledo in 1985.

Most of the things I have mentioned in this report require the efforts of more than one person or more than one group. In other words, cooperation. Some of that work is done by paid employees, but the largest portion of it, particularly out in the field, is done by volunteers. You know what the definition of a volunteer is: "A person who enters or offers to enter into any service of her own free will."

Volunteers are people who should be highly praised and their efforts highly prized. Even the Rose Bowl parade this year had for its theme, "Volunteers." Danny Kaye, grand marshal, said, "May you all become volunteers for a good cause." One of the floats bore the title "Preserving our heritage thru volunteers." We believe we have the best army of volunteers anywhere, all of whom have selected bowling as their good cause.

Thank you for all the work you have done for your local and state associations, for WIBC and for bowling in general. If you have done something to better the game of bowling, then you have done it for yourself as well, because that is your game.

I thank the members of the WIBC Board of Directors for their dedication, hard work and continuing support. Being president is not a one-woman job. It could not be done well without the support of the board and our hard working Executive Secretary-Treasurer Flora Mitchell, our Assistant Secretary-Treasurer Nancy Tatum, and all of the excellent staff we are fortunate enough to have.

Remember, that if you have pride in your organization, you can get people to do anything. I have a great deal of pride in WIBC and I think each of you does too.

Report of the Executive Secretary

Niagara Falls, N.Y.
April 30, 1984

To the Board of Directors and delegates:

Welcome to Niagara Falls, N.Y., and the 67th Annual Meeting of the Women's International Bowling Congress.

As of March 1, 1984, we have 3,683,651 members as compared to 3,763,960 in 1983, a decrease of 2.13 percent. There are 128,076 leagues which represents a decrease of .95 percent. This is the fifth season for a membership decline. We realize the economic environment has played a vital part in this decline, but that is changing and we must also plan to move forward again.

From letters received and information supplied by our field representatives, many of you have incorporated the bowling booster program into your membership promotion plans and are making a good effort to address the membership decline in your area. Your efforts in this regard, in all probability, have helped to keep the decrease smaller than it might have been.

The WIBC Bowling Booster program will be enlarged in the coming season by the addition of bumper stickers, and window decals to the emblems already available. We are asking that each local association plan some type of program making these items available to the membership. Perhaps a fund raising project could be instituted, with the proceeds going to a special project the association has in mind.

We hope that no WIBC member will be deprived of the opportunity to proudly announce that she is a WIBC Bowling Booster just because the local association did not think they wanted to participate in the program. Information on prices and quantities will be made available in the July mailing from WIBC. Be sure to watch for it.

As always, your response to the WIBC Leadership Training Seminar III has been excellent. This program will be "on the road" again this summer with seminars in 11 locations. Readjustment of the program contents has been made to provide better use of the time involved. Those of you who have not attended an LTS III program should watch for the seminar in your area and be sure to attend. You, too, can participate in "The Calorie Bowl." You'll be surprised with the results. A schedule of the locations and dates of the 1984 LTS III series is provided in your Officer and Committee Report book. Mark your calendar now.

Last season a flyer urging teamwork between the league secretary and the local association was included in the league supply kits. Because of the good response we will again be enclosing this item in the 1984-85 season kits. We urge you to point this out at your workshops and encourage the league secretaries to get the sanction applications in promptly. Not only will this give the members their cards earlier, it will allow the association to receive its portion of the dues early. The dues money can be invested for a longer period of time and derive interest for the association to use in providing services to its membership.

We want to thank all of you who were so prompt in clearing out your files and supplies and making sure that you used only the league sanction applications with the September, 1982 revision date. It certainly made things go more smoothly in the processing of the applications.

We still, however, are receiving some old forms and we would like to ask you again to be sure all the league sanction applications you distribute for the 1984-85 season bear the September, 1982 revision date. If you need additional applications please let us know and we will see that you get them.

ABC and WIBC have again joined forces to produce an item which will be of use to all bowlers and, hopefully, because it answers questions about fouls, will make the league secretary's job a little easier.

When the lane certificate is sent to the proprietor for the 1984-85 season, a colorful foul rule poster with drawings to illustrate some of the rule points will be included in the mailing. We hope the proprietor will post it in a prominent place so all bowlers, both league and open play, will see it and learn to observe the foul rule points.

We are very pleased that 109 associations made application for the 1984 Spotlight Awards. Fifteen states and 94 local associations submitted information on their association services and activities. Each of the seven categories had entries, with the smallest number coming from state associations with less than 30,000 members.

Applications for the 1985 WIBC Spotlight Awards will be sent to all local and state association presidents and secretaries in the April mailing. To be considered, the applications, with any exhibits the association wishes to submit, must be returned no later than October 1, 1984.

If you submitted an application this year and were not a recipient, go over your presentation and add anything you believe will give the committee a picture of the services you offer the membership and the way the association operates. Please read the application carefully, as the categories listed will largely determine association eligibility to receive an award.

This past winter, WIBC,

with technical support and assistance from the American Bowling Congress, conducted extensive testing of bowling pins of various weights. The testing was done due to questions raised concerning whether sufficient testing for scoreability had been done among women, seniors and youth before a new minimum pin weight — 3 pounds, 6 ounces as approved by ABC delegates a year ago — became effective August 1, 1985. The present minimum for standard wood and plastic coated (wood core) pins is 3 pounds, 2 ounces.

The tests, involving 40 leagues and 83,575 games, indicated that the new minimum pin weight will have little effect on women's, senior or youth leagues. It was noted that:

1. In the tests comparing 3.2 and 3.3 pins against 3.6 and 3.7 pins, the women scored slightly better on the heavier pins.
2. In comparing pins of the weight most often used at present (3.3½ to 3.5, according to the manufacturers) with pins of the weight anticipated to be used most often under the new proposal (3.6½ to 3.8), there was less than one pin decrease in the women's averages. That difference is well within the range that a bowler presently finds from one league to another or from one center to another.

While WIBC's main area of concern is women's leagues and senior leagues (or at least leagues in which players are using lighter weight bowling balls), the tests included mixed leagues, men's leagues and junior leagues as well.

The leagues included bowlers of all levels of ability, with leagues as a whole averaging from below 100 to over 190. There were many in the 130 to 145 average range. The average weight of bowling balls used by league participants ranged from 9.09 pounds in a youth league to 15.83 in a men's league. For the women's leagues, the largest group (10 leagues) had bowling balls averaging in the 12-pound range.

Nineteen Certified Lane Inspector Workshops have been held in various locations throughout the country. The workshops are conducted by a team of two instructors. Currently we have 50 instructors which includes 13 representatives from the WIBC Board of Directors and staff.

Starting in May we will be scheduling more workshops and by the end of August we hopefully will have conducted between 30 and 40 during the summer months. The number of certified inspectors will continue to grow in this on-going program designed to provide all lane inspectors with a high degree of training, improved skills as inspectors, and standardized methods for use in all aspects of lane certification and lane conditioning inspections.

In comparing pins of the weight most often used at present . . . with pins of the weight anticipated to be used under the new proposal . . ., there was less than one pin decrease in the women's averages . . . well within the range that a bowler presently finds from one league to another or from one center to another.

Two competitors in the 1983 WIBC Championship Tournament turned in qualifying scores after the June 10 cutoff date for the 1983 United States Team Trials in Milwaukee, Wis., July 14-16.

Wanda Welch, Shallowater, Texas, bowled 1818 in Open Division on June 13 and Michelle Casella, Sun Valley, Calif.,rolled 1827 on the final day to win Division I all events. Both exceeded the low qualifying score for nonprofessionals of 1814.

The two women, if they remain nonpros, will be eligible for the 1985 Team Trials along with 10 top nonprofessional all events finishers from the 1984 WIBC Championship Tournament and another 10 from the 1985 event. Two collegiate representatives from both 1984 and 1985 also will be selected.

The 1985 trials will determine the six-player team to compete under WIBC sponsorship in the American Zone Amateur Tournament of the Federation Internationale des Quilleurs later in 1985 in Colombia.

A milestone was reached both by WIBC and Mary Wagner of Newport, Ky., on January 18. On that date Mary celebrated her 100th birthday and became the oldest active member in WIBC history.

Though several WIBC members have bowled in their late 90s, no one was ever known to be an active bowler in sanctioned competition after reaching 100.

Mrs. Wagner has bowled in the Daughters of Isabella Monday Night League and is a member of the Greater Cincinnati (Ohio) Women's Bowling Association. She was honored by the GCWBA and the Ohio WBA on January 16 at Glen Schmits Lanes. She averages 91 per game and recently bowled a 121. She began bowling about 55 years ago and has been in the Isabella league 50 years.

The daytime variety show, "Hour Magazine," hosted by Gary Collins on the ABC network, featured the "Groovy Grandmas" League which was organized by Marge Higley, WIBC Hall of Fame member and former WIBC director and sergeant-at-arms.

The bowling segment was taped October 21 in Califor-

nia and aired across the country in January. It reached an estimated 3.4 million viewers in 134 markets. The show was the result of contacts between the producers and the National Bowling Council which contacted WIBC's PR department for suggestions.

Mrs. Higley then became the third WIBC member to bowl in 50 WIBC Championship Tournaments when she took to the lanes April 27 for the team event at Thunder Bowl here in Niagara Falls. She joins Myrtle Schulte, St. Louis, Mo., and Mary Covell, Chicago, Ill., in the elite group. Myrtle has bowled in 54, but missed last year due to health. Mary is scheduled for No. 53 this year.

Mrs. Higley, from Orange, Calif., holds the distinction of bowling in 49 consecutive tournaments, a feat unmatched by any WIBC member. Mrs. Covell missed one since her first in 1928. No tournaments were held in 1943-44-45.

Forty-three WIBC members are eligible to receive plaques for participating in their 25th championship event when they appear here. They bring to 425 the number of active participants with 25 or more tournaments to their credit.

The Woman Bowler continued its coverage of every aspect of the bowling world. That coverage included WIBC's All American team, the Pan-Am Games, National Bowling Week, Hall of Fame inductees and Bowling Headquarters on recent covers.

Inside, it has covered all the international events of the season (including the FIQ events in Caracas, Venezuela) right into WIBC's more active participation in lane certification.

With the new looks and more pages (the magazine averages 58 pages in length, rather than its old 48), *The Woman Bowler* is beginning a campaign to promote itself and WIBC.

In an effort to help the magazine arrive in better condition for those in small readership areas, the magazine also experimented with shrinkwrapping and pegboard. It was found that pegboard, added to top and bottom, alleviated most of the problem with magazines arriving in torn and sad condition.

Effective with the September issue, subscription rates for *The Woman Bowler* magazine were increased to $5 per year. A two-year subscription will be $10 and three-year, $14.

However, subscribers also will be receiving 11 issues per year instead of 10. The December/January combined issue will be separated. The lone combined issue will be the customary July/August issue. Even with the subscription increase, necessitated by increased production and mailing costs, *The Woman's Bowler* is the best bargain among the five major bowling publications. It also has the widest circulation.

When the 65th annual WIBC Championship Tournament opened April 5, the Niagara Falls WIBC went down in the record book as the fifth largest, with 9,074 teams entered. It is also the first time Niagara Falls has hosted a WIBC Championship Tournament.

The final tally reflects 22,252 doubles, 44,504 singles and 41,052 optional all events. More than 45,000 women will compete in this 66-day event.

The total prize fund of $875,930 places behind Las Vegas as the second largest in WIBC history.

Once again Queens entrants will set their sights on a $100,000 prize fund. First place will be worth $25,000. Aleta Sill returns to defend her title.

Joan Bender and Helen Duval will be on the lanes for an unprecedented 24th appearance in as many tournaments.

The 1985 WIBC tournament will be held in Toledo, Ohio. This will be the third time Toledo has hosted a WIBC Championship Tournament.

The Annual Meeting will be held April 22, 23 and 24 and the Queens Tournament will be held May 7 through 11. Entry forms for the 1985 tournament will be mailed June 15 to all captains of teams entered in the Niagara Falls tournament, individuals (upon request), and to local and state association secretaries. Entry closing date will be January 11, 1985, unless the schedule is filled sooner.

The 1986 WIBC Championship Tournament will open April 13, 1986, in Orange County, Calif. The Annual Meeting dates will be April 28, 29 and 30.

All of the information in this report reflects much hard work on the part of many people — you, our association leaders, who have utilized our services; the devoted staff of WIBC who make the services available; the WIBC Board of Directors who plan the services; and especially President Helen Baker, who directs the operation.

For all WIBC members everywhere, we pledge the continued legacy of "Striving to Serve You Better." Responding effectively to our members' needs with the highest quality service is our fundamental principle and commitment. My sincere thanks to all!

Special Reports

All reports in this section were presented April 30 and May 1 to the Board of Directors and delegates assembled at the 67th Annual Meeting of the Women's International Bowling Congress in Niagara Falls, N.Y.

LEGAL COMMITTEE

Once upon a time there was a woman who was suspended from membership in WIBC because she bowled in an unsanctioned league. While that sounds like the start of a fairy tale, it is not. It's a true story and it happened prior to 1969, when a WIBC member was not permitted to bowl in an unsanctioned league or tournament.

In the files accumulated in the rules department, we have the names of thousands of women who were penalized for WIBC rule infractions at that time. Many of these women have died. Some are infirm and unable to bowl. Names have changed. People have relocated and are unaware of the stipulations and requirements for reinstatement. But our files continue to carry their names and some have been there for as long as 35 years.

In an effort to update our files and to act in a sound and efficient business manner by writing off bad debts and penalties after a reasonable amount of time has elapsed, the legal committee recommended and the Board approved an amnesty on most of the cases that have been in our files 10 or more years. In most instances a woman suspended from membership and/or holding office prior to and including the 1973-74 season will be granted the right to full WIBC privileges as of August 1, 1984.

There are exceptions, however. Amnesty will not be granted to those who misused funds and a substantial amount is still due, nor to those who still owe funds and were covered by a bonding company or private insurance.

Where a woman has reimbursed a bonding company after misusing funds, a partial amnesty will be granted. She will have the right to membership, but the never-to-hold-office penalty will remain in effect.

In an effort to update our files . . . the legal committee recommended and the Board approved an amnesty on most of the cases that have been on our files 10 or more years.

Information on this amnesty program will be published in *The Woman Bowler* and if there are questions on the status of a particular individual, write or call the rules department.

In the past few years, there has been an increase in cases coming before the legal committee for failure of a secretary to submit averages to an association. Every WIBC member has the right to have her average on file, and the association has the responsibility of recording and verifying this average.

However, before taking the final extreme of holding a hearing to remove a secretary from office for this violation, the association should make every attempt to get the averages from the secretary. Perhaps she is unaware of the rule, or the reason for it. She may have thought that since the league was a "fun" league, it was not necessary to submit averages. Or, she may have gotten busy with other things and just plain forgot.

Have you tried personal contact? A phone call or visit? Try an informal note. Or have an officer personalize your reminder, explaining to her how she could be hurting league members. Many times a little extra effort from the association will not only mean the averages are received, but a better secretary will result. The association will then be spared the time and expense of a hearing.

The committee has been advised that on occasion an association is concerned when the legal committee levies a penalty that differs from what the association has recommended.

Keep in mind that according to the WIBC Bylaws, Article III, Section A, only WIBC has "final jurisdiction over all its individual members, sanctioned leagues, sanctioned tournaments and all certified associations." Each case that comes before the committee has been gone over by an attorney to be sure there are no procedural defects and that each defendant has been given the opportunity to defend herself.

The committee members do not treat lightly the matter of membership rights, and each file is reviewed thoroughly on the basis of the complaint, transcript and evidence submitted along with the rules and regulations involved. The recommendation of the association is given serious consideration, but if in the opinion of the committee it is too severe, too lenient or inconsistent with penalties in similar cases it is then changed.

During the 1982-83 season, the legal committee finalized 1,855 cases involving membership rights and 154 applications for reinstatement. This was a 20 percent increase in both categories over the previous season.

Some 1,394 cases dealt with nonpayment of league fees; 221 involved the area of misuse of funds (140 were bond related cases); 77 cases concerned secretaries who did not submit final averages; 163 were for miscellaneous offenses. The committee also acted upon 17 appeals of decisions rendered administratively by the WIBC staff.

Following is a summary of the action taken by the committee:

1,360 Suspended indefinitely.
120 Suspended indefinitely from membership and holding office. In four cases there was also a restriction that they not hold team captaincy.
106 Suspended indefinitely with the restriction they never hold office.
124 Barred from holding office. In three cases a restriction on being a team captain was imposed.
111 Written reprimand/letter of counsel.
32 Not guilty/case dismissed or closed.
2 Removed from office.
5 Appeals from a decision were upheld.
16 Appeals from a decision were denied.
132 Reinstatements approved with office holding privileges withheld in 32 cases.
6 Office holding privileges restored.
9 Reinstatements of membership denied.
7 Requests to hold office denied; however, in two cases the privilege to hold team captaincy was restored.

In the period from August 1, 1983, to January 1, 1984, the committee finalized 694 cases and 58 applications for reinstatement. The breakdown is as follows:

463 Nonpayment of league fees.
72 Area of misuse of funds (47 bond related).
57 Failure to submit averages.
80 Miscellaneous.

This report started with what sounded like a fairy tale and will conclude with what might be called a fantasy. But to quote Robert H. Goddard, "It is difficult to say what is impossible, for the dream of yesterday is the hope of today and the reality of tomorrow."

The fantasy is that in the near future the legal committee will report to the delegation that the previous season went down in history as the first in several decades where there was practically no activity. Leagues adopted and enforced good rules. League members paid their dues promptly. There was congeniality and good sportsmanship on the lanes. Presidents verified accounts and treasurers were not tempted to misuse the funds of others.

Every member that sat on a board of directors communicated and cooperated with the other members. They not only completed every duty they had been assigned, but they initiated and carried through on new projects. Wouldn't that make bowling a fun sport for everyone?

NATIONAL BOWLING COUNCIL

The National Bowling Council was formed to promote and advertise the sport of bowling. Over the years many projects and programs have been developed to foster the growth and prosperity of that sport. Introducing new bowlers to the game remains a top goal and the Council has been successful in obtaining top manufacturers for joint programs.

In the past year, NBC has added three new members. They are DBA Products Company, Inc., Pierce & Stevens Chemical Corporation, and Murrey International.

Other NBC members are: American Bowling Congress; AMF, Incorporated; Billiard & Bowling Institute of America; Bowling Proprietors Association of America; Brunswick Corporation; Century International Corporation; Columbia Industries, Incorporated; Multi-Unit Bowling Information Group; Professional Bowlers Association; Walt Peabody Advertising Service, Inc.; and the Women's International Bowling Congress.

One new area that the National Bowling Council is investigating is local bowling councils. Last year, a survey was taken to compile a list of currently active local councils along with the types of programs being conducted. Through this survey, NBC hopes to provide future programming specifically designed to assist local councils.

Two advertising programs — "Let Loose," which has been successful in the Houston area and "Shake 'Em Up," which was originally developed for the Baltimore/Washington proprietors — are being made available thru NBC to all areas. The cooperative advertising program continues to offer proprietors nationwide excellent advertising campaigns. Agnes Duffy represents WIBC on the advertising committee.

On the national front, NBC continues its work to gain more media exposure for

bowling. During the 1983 calendar year, the following placements were made on national radio, newspaper and television:

The Retired Officer, a monthly magazine, circulated to 325,000 retired officers of the seven uniformed services, featured a story on bowling as an activity perfectly suited for their lifestyle. Staff worked with both the writer and the editor in the development of the story.

"Captain Kangaroo," the extremely popular, long-running children's show, aired a segment featuring Chris Hardwick bowling with other children. The placement, initiated and coordinated by NBC, marks the first time ever that this show has included a bowling segment.

"Hour Magazine," the daytime variety show hosted by Gary Collins, taped a segment with WIBC's Marge Higley bowling with her "Grandma's" league on October 21, 1983. Staff worked with "Hour Magazine" assignment editors to arrange the story which reached 3,407,000 viewers in 134 markets. This show aired Monday, January 30, 1984.

Public relations tools available to local groups interested in encouraging more media coverage include syndicated services, the public relations seminar and the Public Relations Handbook.

NBC circulates professionally written bowling columns to daily and weekly newspapers nationwide. If your local papers are interested in covering bowling with little or no effort and expense, please contact the National Bowling Council for information on the "On The Ball" and "Tenpin Topics" series. Alberta Crowe and WIBC Public Relations Director Augie Karcher serve on this committee.

A half day public relations seminar is available to local groups who want to work together to build a strong public relations network for bowling in their community. The seminar reviews the nuts and bolts of publicity tactics as they specifically relate to bowling. All participants receive a copy of the NBC Public Relations Handbook, a must for every publicity chairwoman.

Earlier this year, NBC spearheaded efforts for National Bowling Week. Publicity packages were mailed to over 230 markets requesting further information. Enclosed were posters, camera-ready releases, suggested publicity ideas and much more.

NBC is constantly talking with large corporations and advertising the value of bowlers as customers. The results have been successful joint promotions for use during the summer, or least active, months for centers. Future possibilities include Firestone Tire and Rubber Company, and Pizza Hut.

In 1983, more than $8 million was spent on bowling's behalf by the Quaker Oats and Union Carbide Corporations. Through these campaigns, bowling received exposure on national television, in Sunday newspapers and in literally thousands of retail outlets nationwide.

Surveys of the effectiveness of the Quaker Oats promotion indicate that almost 3,688,600 games were rolled as a direct result of the program. Some 54.5 percent of those consumers who redeemed their coupons from the back panel of the cereal boxes were not league bowlers. Of that amount, 24.6 percent indicated an interest in joining a league.

The Eveready program offers purchasers of specially-marked battery packages two free games — one for the purchaser and one for a friend. It builds on the very effective "Bring A Friend"

Marge Higley, Orange, Calif., WIBC Hall of Fame member, appeared with her "Groovy Grandmas" league on a segment of "Hour Magazine." Marge also was honored when she bowled in her 50th WIBC Championship Tournament in Niagara Falls.

promotion. Although this program is still running, early reports indicate that many new bowlers were attracted to bowling centers nationwide as a result of this promotion.

Eveready is so enthusiastic that the company has already agreed to continue the promotion in 1984. LPBT member Leila Wagner will be shown on advertising pieces and will promote this program next year. The package exposure for bowling will increase from 55 million packages with the offer in 1983 to 110 million in 1984.

NBC is also investigating a myriad of activities designed to boost junior bowling. One idea receiving much attention is a promotion involving all aspects of the bowling family — proprietors, ABC, YABA and WIBC officials.

In its current format, the program calls for a complete advertising, public relations, and marketing effort. It designates four concurrent Saturdays as "SuperBowl Saturdays" where youngsters under 12 years of age are encouraged to go bowling. Gladys Banker is a member of this committee for WIBC.

NBC's new demographic factbook on bowling and bowlers has recently been released. This booklet, available at the NBC offices for $1.95, paints a demographic picture of an average bowler (Most likely a woman, as the majority of those who bowl each year are adult women.). The study shows that the median adult age of a bowler is 26.1, their median household income is $24,388 (almost $5,000 more annually than the average American), and the average bowler is more likely to have attended or graduated high school or college than the average American.

On the calendar of events for 1984, NBC will study what motivates bowlers to go bowling. The study will help answer questions including: How can we attract non-bowlers to the game? How can we add to the ranks of league bowlers and prevent league bowler drop-outs? This study will be conducted through focus groups and consumer panels. Agnes Duffy is working on this special committee.

The education and training program encompasses a wide range of workshops for association representatives as well as proprietors and their employees. The purpose of the program is to further the growth of bowling through the development and implementation of continuing education and training programs.

> In 1983 more than $8 million was spent on bowling's behalf by the Quaker Oats and Union Carbide Corporations. Through these campaigns, bowling received exposure on national television, in Sunday newspapers and in literally thousands of retail outlets nationwide.

Throughout 1983 the Certified Lanes Inspectors Program has carried top priority. The National Bowling Council, in its support role for ABC and WIBC, developed a seminar designed to train men and women as qualified instructors for lane inspectors, teaching them how to check lanes for certification or regarding high scores.

To accomplish this huge task, NBC worked with ABC/WIBC officials conducting several four-day "Train The Trainers" workshops at bowling headquarters in Greendale. Those who passed this course are now conducting Certified Lane Inspector Workshops.

Other NBC workshops continue as part of the Education and Training program. The initial program for center management, "More Lineage, More Profit," outlined how to organize lineage promotion through marketing management. "Skills for Selling Bowling," focused on the promotion of leagues. "Better People, Bigger Profits," covered how to select bowling center personnel.

Members of the Education and Training Committee have completed an expansion and improvement of the very popular program for bowling coaches and instructors called "Certified Instructors Program." The thorough, two-day program will be available in the spring. Helen Baker is a member of this committee.

"On-deck" tests in the Pace of Bowling projects were continued during the 1983 summer leagues. Again, the leagues saved a little time, but great numbers of bowlers were not happy with the system.

At a meeting in October, the Pace of Bowling Committee reviewed the entire program, and NBC accepted the committee recommendations that there is no need for further tests of the formats that have been developed.

However, since the problem still exists, further study will be done to find out if there are other ways in which we can improve the pace of bowling. A resolution in this regard follows this report.

The National Bowling Council and WIBC thank all the bowlers and associations that helped in the original test programs. WIBC was represented by Nancy Tatum on this special project and other members of our staff also contributed to it.

The Collegiate Tournament is run in conjunction with the YABA and will be held in San Jose this year. Gladys Banker is part of this group looking forward to the first collegiate tournament on the west coast. Efforts are being made to find a corporate sponsor. NBC programs in advertising and promotion, research and public relations, as well as

education and training are all developed to keep people interested in bowling, give bowling media space it deserves and encouraging people to become open-play and league bowlers. Information on National Bowling Council programs is available. Just write to: NBC, 1919 Pennsylvania Avenue, N.W., Washington, D.C. 20006, or call (202) 659-9070.

Pace of Bowling Resolution

The following resolution regarding the Pace of Bowling test program was presented to the delegates with the NBC report.

Whereas, A resolution was adopted by the delegates in convention in St. Louis, Missouri, on April 20, 1982, authorizing a committee to test various procedures to improve the pace of bowling in sanctioned leagues during the 1982-83 season and to permit modification or variances in existing WIBC rules for leagues participating in the test program; and

Whereas, A resolution was adopted by the delegates in convention in Las Vegas, Nevada, on April 26, 1983, authorizing the committee under the auspices of the National Bowling Council to continue testing various procedures to improve the pace of bowling in sanctioned leagues during the 1983-84 season and to permit modification or variances in existing WIBC rules for leagues participating in the test program; and

Whereas, The need for further in-depth testing is deemed to be necessary; now, therefore, be it

RESOLVED, That a committee working under the auspices of the National Bowling Council be authorized to continue testing various procedures to improve the pace of bowling in sanctioned leagues during the 1984-85 season and to permit modification or variances in existing WIBC rules for leagues participating in any test program.

BVL FUND

Another year of dedication and support by the bowlers has been successful and BVL again realized a new record in contributions with $947,806.24. This is a gratifying nine percent increase over the 1981-82 season. Today, when federal budgets are tighter than ever, the bowlers have been able to set aside something for our hospitalized vets.

Ventura County, Calif., with a combined program of women, men, juniors and proprietors earned the hotly contested spot of top fund-raising community with $25,029.31. They were in second spot last year.

Syracuse, N.Y., continued its great effort capturing runner-up honors with $20,600.14. Syracuse was first in 1981-82.

Citrus Belt, Calif., with $17,231.75 and Phoenix, Ariz., raising $15,500, retained the third and fourth place rankings. District of Columbia bowlers moved from 13th to 5th with $13,192.97. See the accompanying chart for a listing of the top 10 associations in contributions.

The number of associations to make the $1,000 or over honor roll increased to 201 from our previous high of 195.

Leon, W. Va., really made the list this year, topping all associations in amount raised per member with $9.677 from a membership of only 47 for $454.80. See the accompanying chart for a listing of the top 10 associations by amount per member.

Looking at the bottom of the alphabet, Yazoo County, Miss., with only 80 members raised $186 for $2.325 per member. Yuba-Sutter, Calif., raised $1,523.50 for $1.254 per member with membership of 1,223.

This listing proves that the size of the association is not the key factor in raising funds for our hospitalized veterans. It takes an excellent program, good planning, hard, hard work and execution for success.

California, for the second year, topped the $200,000 mark with a total of $207,985.99 to lead all states. Georgia moved up one step to second position, with $52,050 and the listing of their associations in the accompanying chart tells the story. The top state fund contributors are also charted.

Amount per member basis on the state level produces quite a different standing and we are pleased to recognize the leaders for their great effort.

BVL contributions exceeding the amount of membership dues is a good indication that bowlers are concerned about the needs of hospitalized veterans. Support at the local and state level continues to improve and is indeed very outstanding. All contributions are needed, but these people who go the "extra mile" really make the difference as well as the new records each year.

Congratulations to all the associations who are shown in the top listings.

Contributions continue to honor or memorialize friends, and many donations are received in this special category. Acknowledgement cards are sent to the family of the deceased or honored individual and to the person or group making the gift.

WIBC Pioneer Club, 500 Clubs, 600 Clubs, state and local groups all continue to boost the total. Support for BVL from the other integers of bowling is also appreciated. *Bowling Proprietor* magazine, *Bowling* magazine and *The Woman Bowler* are providing wider readership on BVL and our programs.

A popular program coordinated and operated by the BVL Fund is the BVL/VA annual bowling tournament. This will be the 39th year for the tournament. VA medical centers across the country enter teams in this mail-in tournament.

Last year, 99 teams entered one of the five divisions of this popular event. First place finishers in the five divisions were the Los Angeles, Calif., VA; the Dallas, Texas, VA; the Biloxi, Miss., VA; the Long Beach, Calif., VA; and the Hines, Ill., VA. The assistance of some of your associations with this tournament is very much appreciated.

Almost a million dollars! What is all this money used for? Glad you asked!

Televisions continue to top the list of requested items and more than 500 went to the hospitals this past season. We mentioned the BVL/VA tournament above, and the hospitals are given the opportunity to request base funds (figured on a per patient basis) for their recreational and rehabilitation needs. Extra grants are approved for items that the base funds are not sufficient to cover.

Musical instruments, craft items, special projects and trips, large print books and special equipment for patient use, bowling and other sports programs, and even gardening projects are included in the requests.

BVL is supporting the Veterans Writing Project and this year will be providing part-funding for 100 shows in veteran hospitals by the Re-Creation group of entertainers. The USO that was active in this field for so many years has sharply curtailed their involvement.

Thanks to the associations and individuals that responded to the request for the Hospitalized Veterans Stamp Project; it has been just super. Please continue to send the stamps to Hospitalized Veterans Stamp Project, c/o Herman Neugass, 4201 Cathedral Avenue, N.W., Suite 815, Washington, D.C. 20016.

Our goal for the 1983-84 season is $1 MILLION. Will we reach it? There are still several months to go until the final July 31st date and you hold the key! Whatever the total, thanks is not enough for your efforts and concern for the men and women veterans. There is no way we can extend our appreciation or those of the veterans to the many individuals who make this program a success. So please carry our thanks back to your members and contributors.

This program, which started in 1942, continues to grow because the bowlers and their friends know the need is still there. How many have been helped over the years we will never know but thanks again for being there when needed and willing to take on the task year after year. Thanks to all of you and to your counterparts back home.

HALL OF FAME AND MUSEUM

Opening date of the magnificent new National Bowling Hall of Fame and Museum is almost here. June 2, 1984, is dedication day! Will you be there to share in this historical and exciting event?

Invitations will be sent to all individuals, associations and business ventures who have contributed at least $150 or more and we anticipate a truly grand opening.

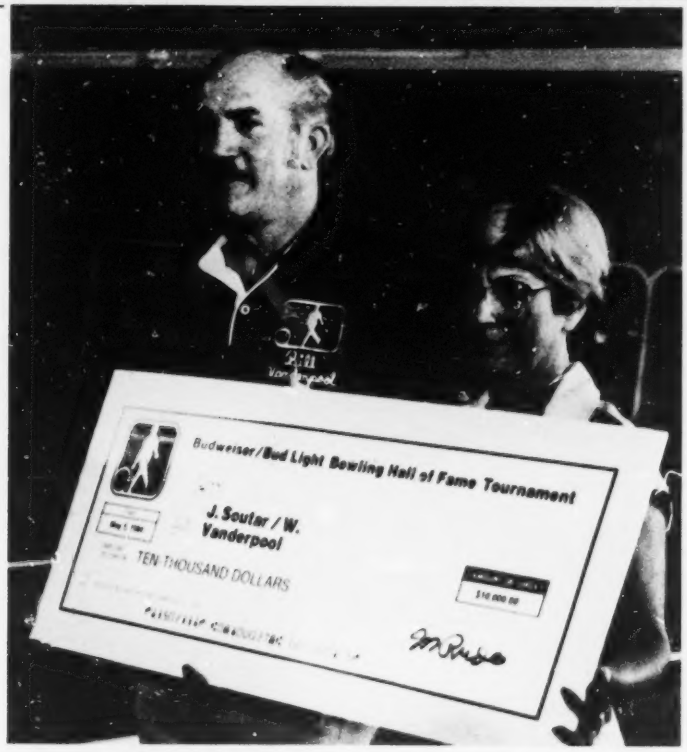
Recognition will be highlighted for all who have contributed $150 (patron gift) or more according to the March 1, 1984, record on file with the NBHF/M. This will also apply to the Memorials and Living Tributes made for special people.

The panels will read like a "Who's Who" in bowling. If your name or that of your association is not there, we want you to know that we plan to add new panels each year carrying the names of all the new donors. The Living Tribute and Memorials panels will be updated each year also.

It is indeed a pleasure to tell you about a number of businesses that have supported this bowlers project with sizeable contributions and we ask you to say "thank you" to them: Anheuser-Busch, Inc., $500,000; Fairlanes, Inc., $60,000; Michael Sauro Family, WIBC Concessionaire, $50,000; L. G. Balfour, $50,000; Dudley/Connie Peebles, WIBC Photographer, $25,000; Coca-Cola USA, $300,000; King Louie International, $50,000; Showboat lanes, $50,000; Lions Brothers, emblems, $50,000; and Wilson Trophy Company, $25,000.

We are continuing our fund drive as it became necessary to secure a loan to complete this project, and with the help of all of you we can eliminate the mortgage. As of the date of writing this report, February 1, 1984, it appears that we have a shortfall of $1,500,000.

The 1983 Budweiser/Bud Light Hall of Fame Tourna-



Bill Vanderpool (l) and Judy Soutar, WIBC Hall of Fame member, hooked up to win the 1984 Budweiser/Bud Light Bowling Hall of Fame Tournament and a hefty $10,000 check.

ment was won by Sandra Simmons of Overland, Kan., and her doubles partner, Nelson Burton, Jr., ABC Hall of Famer. Sandra had an average of 124 and bowled 66 pins over her average, and Burton rolled 10 strikes and 2 spares to win the $10,000 first prize.

The 1984 finals will be held in St. Louis, Mo., on May 4-5, 1984. WIBC Hall of Famers who will participate this year are: Betty Morris, Judy Soutar, Marion Ladewig, Laverne Carter, Helen Duval and Donna Zimmerman.

Efforts were made this year to enhance the tournament. Some $10,000 was added to the prize fund. Additionally, five regional coordinators were named to work with the local associations, proprietors and distributors in the 50 major markets. We appreciate the efforts of all of them and make special mention of two of our ladies who served in this capacity, Elaine Hagin in Region 4 and Marie Hisel in Region 5.

The Annual Meeting of the National Bowling Hall of Fame and Museum was held in St. Louis on July 7, 1983. Officers elected to serve for the 1983-84 year were: President, Milt Rudo; Vice President, Nicholas Mormando; Secretary, Flora E. Mitchell; and Treasurer, Edward W. Sweeney.

A meeting of the Board of Directors is scheduled for March 1 and 2, 1984, and we will be able to give you an updated oral report in Niagara Falls.

The offices of the National Bowling Hall of Fame and Museum are now located in the new building and the address is as follows: 111 Stadium Plaza, St. Louis, Mo. 63102. Telephone: (314) 231-6340.

We have already heard about some associations who are planning bus tours to visit the Hall of Fame and Museum. We urge you to contact the NBHF/M office for any assistance they can give you. Talk it up to the senior groups in your area. It will be a trip they will long remember. A proprietor on the east coast is talking about taking a group of his junior bowlers to St. Louis so they can visit the Hall and Museum.

As the doors swing open on June 2, 1984, we will be pleased to welcome the multitude of bowlers who will visit there. Additionally, we want to extend a welcome hand to all. It could well mean we will find new bowlers once they learn about our great game of American ten pins!

The National Bowling Hall of Fame and Museum will do many things for our game. First, of course, it will bring forth the entire historical record of bowling even back to very early days. As you walk through the time tunnel you will see bowling in many varied aspects right down to the game of today.

The image of our game will be greatly enhanced when one can view the tremendous amount of effort, planning and hard work that has been put forth by the multitudes to make all the bowling organizations work as a unit.

The Hall of Fame portion of the building will, of course, be dedicated to those special people who have been honored by the WIBC or ABC for their accomplishments in bowling or for their meritorious service.

Plan for your next vacation to visit the National Bowling Hall of Fame and Museum!

INTERNATIONAL COMPETITION

United States bowlers made two trips to Caracas, Venezuela, and brought home 14 medals. The U.S. team won the overall trophy in the Pan American Games and the second place team trophy in the 10th World Amateur Bowling Championships of the Federation Internationale des Quilleurs (FIQ).

Bowling as a demonstration sport in the Pan Am Games included all the ceremonies, award presentations, television and press coverage of the other sports in the games. The official poster displayed the boliche/bowling figure in the center section. Because the competition was a week before the Pan Am Games, bowling received good local support and media attention.

Award presentations were made on the center lanes complete with officials, medals on velvet cushions, three-tier stands, flags and anthems of the gold medal winners.

Jean Hammond, Laurens, S.C., enjoyed the thrill of hearing the Star Spangled Banner twice. She teamed with Mary Lou Vining, Inver Grove Heights, Minn., to win the doubles, and she won the televised overall women's championship match. Jean also earned a silver in singles.

The U.S. women teamed with Rich Wonders, Racine, Wis., and Rod Toft, St. Paul, Minn., for the silver medal in team competition. Agnes Duffy, WIBC vice president, who accompanied the team, was given the honor of presenting the singles and doubles medals to the women.

Wonders led the way for the men with a bronze medal in singles and teamed with Rod Toft for the silver in doubles. In the men's all events, after 15 games, Wonders was in first place but lost the two-game match to Pedro Carryeo of Venezuela and also the final game to finish with the silver in the overall men's championship.

Twelve countries competed, sending 21 women and 23 men. Puerto Rico was a close second in overall points for the second place cup and the third place cup stayed in Venezuela.

Carol Miller, Waukesha, Wis., was again the U.S. coach for the Pan American trip in August and for the FIQ World Championships in October. Carol started as the U.S. women's coach with the FIQ 1977 Amercian Zone team and has helped our bowlers bring home the medals from the 1979 FIQ World Tournament and 1981 American Zone competition.

The Venezuelan Bowling Federation, under the auspices of the FIQ, did an excellent job of showcasing bowling. They ran a good tournament, putting out the red carpet for all visitors, and showed COPAN, and the Olympic officials, that bowling is a sport that should be involved in the Olympics.

Mrs. Duffy and Augie Karcher, public relations manager, accompanied the WIBC team. Roger Tessman, executive secretary, and Dave DeLorenzo, public relations manager, were with the ABC team. Mrs. Duffy represented WIBC in place of Helen Baker, president, who was recovering from surgery.

Janine Ditch, San Pedro, Calif., top non-professional in the all events standings in the 1983 WIBC Championship Tournament in Las Vegas, Nev. represented the United States in the Lee Evans Tournament of the Americas in Miami, Fla., August 15-20, 1983. Pat Rodrigues, Hialeah, Fla., sponsored by the Florida Women's Bowling Association, was the other U.S. women's representative.

Gladys Hernandez of Venezuela, WIBC member when residing in Florida from 1979-82, won the gold medal in singles and teamed with Selma Flores for the gold in doubles. Louise Gendron of Canada, also a WIBC member, won the all events with 6,266 while Gladys was second.

The 10th FIQ World event was held in the not-quite-complete Centro Nacional de Boliche in the small village of Mampote, about 40 minutes from Caracas.

Thirty-seven nations from all parts of the globe were there with 175 women and 207 men bowlers. It was the largest FIQ tournament and the bowling scores attested to the great improvement by bowlers throughout the world and their ability to adapt to some unusual environmental conditions.

It will also be remembered as a tournament of great scoring with 28 records set.

Cathy Almeida started strong for the U.S. in women's singles, with 670, including a 279 game. This was high game for the women in the tournament and a new record. She bowled two frames of her second game on one pair of lanes but moved to another pair because of mechanical trouble. But she started striking and ended with 279.

For the first time in FIQ World Championship history, there was a sweep of the singles medals, by Sweden. Lena Sulkanen, 23, bowled 1293 for the gold. Asa Larsson, 20, took second with 1279, and Karin Glennert, 19, took the bronze with 1269.

Almeida was second after the first squad but ended up fourth after the Swedish bowlers finished on the second and third squads.

The first U.S. medal came in women's trio. Dixie Kirk, Yvonne Dowland and Janine Ditch totaled 3479 and tied with the Filipinas team for the silver. West Germany won with 3532.

Next in the five-player, the U.S. earned a bronze medal with 5649. All six ladies contributed with Janine Ditch and Yvonne Dowland bowling alternate three-game sets.

Our team put together 1040 for the fifth game and hoped for a silver. But the move to lanes 19 and 20, which had been tough for earlier events, resulted in a final 855 game. Sweden won the gold with Japan second. As in several events, all three zones won medals.

Silver medals were awarded Janine Ditch (l), Dixie Kirk and Yvonne Dowland after they tied for second in the trio event at the FIQ World tournament.

Cathy Almeida was the only U.S. woman to qualify in the top 16 for the 15-game match play portion to determine the world champion. Sweden qualified four and the Philippines, Canada, and Japan two each. Cathy bowled well. Going into the last two games she was in first place.

The finals saw Larsson falling to Kumiko Inatsu from Japan. Almeida won her match with Kumiko. The first game between Almeida and Sulkanen was a tie. Cathy won the second game. Under international rules, it was necessary to bowl one more game to determine the champion.

The final game went down to the last ball. Cathy needed 19 pins to win. Up jumped a split instead and Lena took the gold and the crown. The finals were televised by Brunswick with Meyers Productions doing the show.

Complete results, outstanding stories, pictures and details have been published in *The Woman Bowler, Bowling Magazine,* the *Bowlers Journal* and in news releases.

The U.S. men's team broke several records, won a bronze medal in trios and a silver medal in team. Rich Wonders won a bronze medal in all events and Tony Cariello won all five games in the individual finals to win the coveted gold medal and the world championship title.

At the final victory-farewell party, Venezuela, as the host nation, presented many trophies. These included trophies to the nations on a point basis. Sweden was the winner of the first place trophy with more than 60 points. The United States was second with 36 points. West Germany won third place.

Trophies were also given for the various medal positions. So the United States group had an armful of trophies for plane time Sunday morning, October 30.

The women's team, sponsored by WIBC, was accompanied to Venezuela by Mrs. Helen Baker, WIBC president, Mrs. Agnes Duffy, WIBC vice president, Mrs. Carol Miller, coach, and Miss Paula McMartin, editor, *The Woman Bowler.*

Thirteen nations took medals home, for some the first ever and for others their first gold. Sweden led the list with five gold, three silver and one bronze for 11 total. The United States followed with one gold, three silver and three bronze for seven total.

Japan and the Philippines won three each. Finland, Great Britain and West Germany won two each. Denmark, Colombia, Puerto Rico, Australia, Holland, and Canada each won one.

The two weeks in Caracas provided many new experiences, challenges and triumphs for the bowlers and their traveling companions. It also showed that all zones are using instruction and training to field excellent bowlers and teams.

The FIQ American Zone meeting was held August 8, 1983, during the Pan American Games in Caracas. Canada gave its voting proxy to the United States. Roger Tessman voted for the U.S. and Agnes Duffy represented Canada.

Changes to the statutes proposed two years ago in Winnipeg were accepted. Propaganda advertising on uniforms was accepted after some amendments.

Briefly, the rule provides for advertising no larger than approximately four inches by four inches on the right front of the uniforms. Colors are to be agreed upon between interested parties; prices and

terms handled through member organizations. Proceeds are to go to the treasury of the organization. Individual bowlers cannot profit. They can cover one player or a country's entire group. No advertising will be allowed for beverages with an alcoholic content higher than 5 percent, cigarettes or advertising against the sport or social ethics.

Proposed youth championship rules for American Zone tournaments were accepted with provision for the Presidium to finalize the number of bowlers and age requirements. Mexico offered to host the tournament in 1984.

FIQ's Tenpin Division meeting was held October 23, 1983. Uruguay had sent a letter giving its proxy to the United States. Both the president and the secretary reported our sport is continuously growing with new members joining FIQ, the number of federation members increasing and the number of both national and international events growing.

Membership now totals 61 federations: American Zone, 22; Asian Zone, 16; and European Zone, 23. Bahrain, Chile, San Marino and United Arab Emirates are the newest members with Brazil, Trinidad and Tabago, U.S. Virgin Islands and Saudi Arabia in the process of becoming members.

Amendments to the Constitution and Playing Rules and Regulations included one concerning inspection of preparations, setting of deadlines and setting up new timing for moving a tournament if necessary.

The next FIQ Tenpin meeting will be held in Vienna, Austria, in July or August of 1985. The 11th World Championships were awarded to Finland and will be held in Helsinki with the tentative dates June 8-17, 1987. Indonesia was chosen as the alternate site.

The FIQ Congress met October 24, 1983. The Uruguay proxy was voted by the United States. This was Frank Baker's last meeting as FIQ president and at the close it was announced that the FIQ Presidium had created and presented him the Meritorious Service Award with a diamond pin. Because Baker was also cautious with funds, the Presidium members donated the diamond pin. As the same information covered in the Tenpin Division applied to the FIQ regarding memberships, etc., it was not repeated.

Both the president and secretary (of FIQ's Tenpin Division) reported our sport is continuously growing with new members joining FIQ, the number of federation members increasing and the number of both national and international events growing.

Several amendments were adopted that allowed zones of the Tenpin Division and sections of the Ninepin Associations to charge within their areas of responsibility special fees and/or dues. The ceremonies at world and zone championships shall be decided by the hosting federation. The said federation may, for example, follow the International Olympic Committee model in conducting the ceremonies.

Elected to four-year terms of office were: Soetopo Jananto, Indonesia, President; Roger Tessman, United States, Vice President; Agnes Duffy, United States, and Joan Esary, Canada, Auditors.

Announcement was made that World Games II would be held in Great Britain July 27 through August 5, 1985, and in the future they will take place the year following the Olympics. A contract guaranteeing the financing of World Games II, III and IV has been signed by the West Nall Organization. Bowling will be one of the sports again with one man and one woman from participating countries.

Service pins were presented to several individuals and Frank Baker was thanked for his 20 years of service to the FIQ.

There was a question on a world youth championships. The Presidium did consider the matter and felt this tournament should not be held for many reasons and that there was no support in the Presidium for it. It was requested that the matter be given further study and a report be given at the next FIQ meeting.

The next Pan American Games will be in Ecuador in 1987 and efforts will be made for bowling to be a medal sport.

Bowling has been included as one of the charter sports in the World Masters competition scheduled in Toronto in 1985. FIQ representatives will be conferring with officials of the World Masters regarding suggested formats.

Original information states the event will be held every four years and that all competitors will participate as individuals. As more information is available it can be considered as another international event that our bowlers may be able to participate in.

YABA

The infant has become a toddler and, like any other two-year-old, YABA requires constant care, supervison and love. We have a dedicated staff at Bowling Headquarters to supply the care, a national board of directors to provide supervision, and an army of wonderful volunteers to provide the love.

The members of the WIBC/YABA committee are very pleased to have the opportunity to serve as members of the national YABA Board of Directors and its committees. WIBC is honored this year to have its president, Mrs. Helen Baker, Cocoa Beach, Fla., likewise serve as YABA president.

The other two YABA officers are Ted Melonis, vice president, and Robert Smoltz, secretary-treasurer. Those appointed to the board by ABC and BPAA are: from ABC, Ted Melonis, Neb.; Walt Roberson, Ariz.; Roger Tessman, Wis.; C. Dayle Vannoy, Texas; Richard Yoakum, Ohio; and from BPAA, Jamie Brooks, Texas; Don Hillman, Calif.; Don Lowry, Ind., and Robert Smoltz, Mich.

At mid-season the membership figures of 555,804 for the youth division and 7,814 for the collegiate division represented slightly more than a two percent increase over last season. The final 1982-83 membership figure was 765,252 which included 16,318 collegiate division members. An additional 6,544 were sanctioned through the special handicap programs at no cost to the member. You can quickly see that we do not appear to be headed toward a significant membership gain this season.

By comparison, the awards program is doing great. Those more than 700,000 members were the recipients of 1,291,626 emblems. In addition, 6,829 medals were earned by youth division members and 101 by collegians.

We can anticipate somewhat of a reduction in emblems this season due to a change in policy. Starting with the 1983-84 season a member may receive only one of each of the special awards during a season. These are the triplicate, all-spare game, 100-pins-over-average emblems and so on.

Each season three significant honors are bestowed on YABA members: Youth Leader of the Year, Chuck Hall Star of Tomorrow and Alberta E. Crowe Star of Tomorrow.

Nomination forms are sent to YABA offices throughout the country well in advance of the February 1 deadline, so all worthy candidates have the opportunity for consideration. We sincerely hope all are being given that consideration. Please, make certain no deserving member in your area is overlooked.

. . . there was a substantial increase in the number of colleges fielding intercollegiate teams. The increase in intercollegiate competition can be attributed to the growing interest in the National Collegiate Bowling Championships.

Although Collegiate Division membership decreased last season, there was a substantial increase in the number of colleges fielding intercollegiate teams. The increase in intercollegiate competition can be attributed to the growing interest in the National Collegiate Bowling Championships. This year's event will be held in San Jose, Calif., May 3-6.

We are disappointed that a number of campus programs remain unsanctioned. The programs, leagues and bowlers are there. Our current challenge is to get them sanctioned and into the family.

The first year of the preenrollment program brought responses from only 10 percent of our coaches. However, those limited responses resulted in four new campus programs, jobs for three college freshmen and financial assistance for others.

Consequently, we believe the preenrollment program is an excellent membership promotion and we look for better response from the coaches this season. The greatest YABA growth potential is in campus bowling programs.

The National Junior Bowling Championships (NJBC), sponsored by Coca Cola, will be held July 5-9 with $33,000 in scholarships to be presented in three divisions: girls handicap, boys handicap and scratch. Champions from all 50 states and two Canadian Provinces will receive all-expense paid trips to the national finals. It appears likely that four military commands will also be sending entrants: Europe, Japan, Okinawa and the Philippines.

The three champions from each state emerged from competition which began with center level competition. A total of 2,696 bowling centers conducted qualifying for approximately 350,000 contestants. This is an increase in center participation and a slight decrease in individual participation.

Minneapolis, Minn., which will host the 1984 NJBC, was selected from several areas submitting invitations. The basic criteria for hosting the event included at least one 40-lane bowling center, hotel/motel accommodations for 180 contestants and staff as well as an airport served by at least one major airline.

Correspondence was sent to nearly 200 areas this season encouraging an invitation for the 1985 event. The next host area will be selected in July.

The tournament was scheduled early this year to avoid transportation conflicts with those traveling to Los

Angeles, Calif., for the 1984 Olympic Games. Future events will be held either the third or fourth week in July.

Bowling in the Olympics has been a favored topic the past few years and a major subject at this annual meeting. In the meantime, it appears that the American Zone of the Federation Internationale des Quilleurs will conduct an "American Youth Championship" for those 15 to 18 years of age. It will include singles, doubles, mixed doubles, mixed foursomes and all events competition. We are looking forward to more information on this exciting prospect.

Yes, YABA is on the move. How many of you are already part of the program? How many of you have some time and love to invest in the future? The kids are the future, you know. The YABA organizational structure includes you. We urge you to become actively involved.

Each WIBC local and state association appoints representatives to the appropriate local or state YABA board. They are appointed for two specific reasons: first, as a liaison between the youth and adult associations to keep you, the parent organization, informed and to let you know how you can assist; second, as an active, working, productive member of that YABA board.

Do the individuals you have appointed fill those two vital roles? If not, please look for the special individuals we need. Those who work with the youth of this country are truly special people.

One of the things your appointed representatives can do is join with their counterparts from ABC and BPAA to look into the collegiate situation. Remember those unsanctioned campus bowling programs? Let's identify them.

Are they bowling on campus lanes or in a commercial center? Who is in charge of the program? Can the proprietor help? What can you do to get them into the family? You have proven to be a most imaginative group of ladies. But, if you have any problems the staff in Greendale, Wis., is there to assist.

Last year we asked you to include the youth market in your membership promotion. We repeat our plea. When you in WIBC, those in ABC and the proprietors meet to develop plans for expanding sanctioned bowling, please include YABA representatives.

We have reported that 2,700 bowling centers conducted National Junior Bowling Championships qualifying for 350,000 youngsters.

That is 30 percent of the centers and less than 50 percent of the YABA members. Why? This is another area in which you can lend your support by urging proprietors to give those kids the opportunity to be state and national champions.

Yes, YABA is on the move. How many of you are already part of the program? How many of you have some time and love to invest in the future? The kids are the future you know. The YABA organizational structure includes you. We urge you to become actively involved.

Saturday afternoon preceding the WIBC Annual Meeting a YABA Workshop is held. This year Collegiate Bowling, Promotion and Association Procedures are the subjects of seminars. Will you be there? Were you there?

Many YABA leaders are not likely to be WIBC delegates simply because they are not active in the women's association. They need your help. We realize you cannot do everything, but we believe one member of your delegation could participate in the YABA Workshop and report to your association and the YABA group as well.

Some small delegations could pool their resources. In fact, this is an area where the state delegate could assume a leadership role and assist in making sure that the YABA message gets back to those who are involved in the administration of the program.

We began by telling you of the wonderful volunteers who provide love. We conclude with the premise that volunteers come in all shapes and sizes . . . and so does love.

Whether you volunteer time, expertise, special talents or just plain love to our young people, we extend to you a very sincere, "thank you."

SENIOR

In bowling, everyone has fun. But the most fun is had by seniors. This was especially true in the squad room at the WIBC National Senior Championships last May here in Niagara Falls. Their chatter and laughter told all who were present they were enjoying every minute and eagerly looking forward to the competition.

As senior committee members mingled with the participants, they asked for opinions and suggestions on how the tournament could be improved. Naturally, anytime new programs are started, one expects to make changes — changes that bring about improvement. The committee listened to the comments and was pleased to accept the bowlers' suggestions, assuring them that all would be brought to the senior committee for further study.

Everyone was pleased by the crowd of spectators assembled in the arena giving tremendous support to all bowlers by cheering them on.

Congratulations to the 1983 WIBC National Senior Champions: Class A, Betty Busbee, Vt.; Class B, Theda Ryan, Wis.; Class C, Loree Taylor, Texas; and Class D, Frances Wallis, Mich.

The 3rd Annual WIBC National Senior Championships will be held in Reno, Nev., May 12-13, 1984. Once again, it will be held in conjunction with the American Bowling Congress national senior event.

Due to the March 15 entry deadline, I am unable, at the writing of this report, to give you the number of bowlers participating in Reno. But this information will be made available to you.

We do expect an even larger tournament than last year and are extremely pleased to welcome three new states joining us for the first time in sending representatives to this prestigious tournament: Iowa, Nevada and West Virginia.

This year, we are pleased to be adding a couple of "extras" for our senior participants in Reno. These include an informal, get acquainted social at registration time on Friday evening. A photographer will be present to photograph the participants in the squad room. The photographs will be made available for purchase.

As one senior said, "It isn't every day that I am a state champion much less bowl in a national tournament and a picture would help me remember an important day in my life."

Inquiries continue to come in to WIBC headquarters on what requirements are to enter this prestigious event. From this alone we know many bowlers are interested in having the opportunity to become eligible for the national senior tournament.

The major requirements are: 1. be 55 years of age; 2. bowl at least six games in a state senior tournament; and 3. be a state-wide senior tournament qualifier.

We have also had inquiries about the procedure used for submitting information to states, and whether the state or the participant gets the entry form. In the first WIBC mailing to state and provincial association presidents and secretaries, information is enclosed about the WIBC national senior event. Included is a form requesting pertinent information about the bowler(s) representing their state.

Once this information is received at headquarters, a mailing is forwarded to the participant(s) containing the entry form, the tournament format, housing information and other necessary data. The entry is to be completed and returned to WIBC no later than April 1.

We would like to encourage each state to designate someone to keep in touch with their participant(s), offering to help in any way possible with travel arrangements or lodging.

We often are questioned on how many games the seniors bowl in the national event. All bowlers roll six qualifying games, three on Saturday and three on Sunday. Four top qualifiers in each of the four age groups return to bowl three games in match play to determine the champions in each age group: Class A, 70 years and over; Class B, 65-69; Class C, 60-64; and Class D, 55-59.

If your local or state association is not presently hosting a senior tournanment and would like suggestions on how and where to start, please write WIBC and we will be happy to give you assistance.

There are so many seniors just waiting for the opportunity to fill the gap of loneliness and what better way than bowling. No one said it would be an easy task, but then nothing worthwhile ever is.

Time, effort and cooperation mixed with a dash of fun, bring tremendous rewards, especially to you. You'll be helping others help themselves; there is a feeling of pride in your accomplishments, and the senior's attitude and appreciation for the small things truly enriches one's life.

Shown in the accompanying chart is a breakdown of

Senior League Awards

	1982-83	1981-82
75 Pins Over Average (Game)	1,404	1,233
125 Pins Over Average (Series)	765	586
Total	2,169	1,819

senior awards issued the past two seasons.

As local and state leaders, you are to be commended on the job you are doing for seniors. Without your interest and support, it could not be done.

Yes, bowling is fun, particularly for seniors. It is as simple as — A,B,C: "A" for activity which everybody over 50 needs; "B" for better health, and bowling as an exercise in especially recommended for the 50-plus age group; "C" for companionship all seniors need, and which can easily be found among bowlers.

Condensed Minutes

MONDAY MORNING SESSION

The 67th Annual Meeting of the Women's International Bowling Congress convened at 9 a.m., Monday, April 30, 1984, in the Niagara Falls International Convention Center, Niagara Falls, N.Y., President Helen Baker, Cocoa Beach, Fla., presiding.

The invocation was given by the Very Rev. W. Michael Cassell, Jr., Rector, St. Peter's Episcopal Church. Everyone joined in reciting the Pledge of Allegiance to the Flag of the United States of America. The National Anthems of both the United States and Canada were then sung.

President Baker read a letter from President Ronald Reagan commending WIBC for its "efforts to increase the participation of women in sports." In the letter, President Reagan said, "Anyone with an interest in sports is filled with admiration for the important role you are playing in women's sports around the world."

President Baker announced that the United States Olympic Committee's House of Delegates had, on April 7, unanimously approved WIBC and the American Bowling Congress for Group C membership status, meaning the organizations can now work toward getting bowling accepted as a medal sport in the Olympic Games.

President Baker then asked all first-time delegates to stand. She greeted them with the hope that they would enjoy their first meeting and find many worthwhile things to take back to their associations.

"Anyone with an interest in sports is filled with admiration for the important role you are playing in women's sports around the world."

President Ronald Reagan in letter to WIBC

Michael O'Laughlin, mayor of Niagara Falls, welcomed the delegates and presented President Baker with a key to the city. He also presented Mrs. Baker with a check for $25,000 from the Niagara Falls business community to help defray costs of the annual meeting and tournament. (This was a payment toward their $75,000 commitment.)

Mrs. Agnes Duffy, Richmond, Calif., WIBC vice president, read the rules governing the Annual Meeting approved by the WIBC Board of Directors. They were accepted as read.

Mrs. Majorie Gerg, Niagara Falls Women's Bowling Association president, welcomed the delegates on behalf of the local association saying, "May the moments in Niagara bring you cheer when you recall the joys of WIBC and that you had a ball here."

Mrs. Mary Smack, New York State WBA president, welcomed the delegates with the words, "We are proud and humble that New York was chosen, and we are pleased that the city of Niagara Falls was chosen for it holds one of the seven wonders of the world."

President Baker introduced the WIBC Board of Directors, life member, executive secretary-treasurer and assistant secretary-treasurer.

H. Wesley Bogle, American Bowling Congress president, addressed the delegates. He highlighted areas in which WIBC and ABC work together such as in gaining Olympic recognition, the testing facility in Greendale, Wis., and the Certified Lane Inspector Workshop program.

Bogle went on to say, "Ladies, we welcome your joint support in the various departments of the Congresses which serve both men and women. And particularly I am referring to the certification department, which WIBC will share the cost of, starting August 1, 1984."

President Baker introduced Burt Kellermann, ABC assistant executive secretary-treasurer and other New York State and Niagara Falls bowling association officials who were present.

Charles Hall, Young American Bowling Alliance executive director, outlined factors affecting YABA membership. He encouraged the delegates to return home and work with other members of their bowling family to create a better and larger youth bowling program in their area. "With the leadership we have . . . there is nothing that we cannot do," he said.

R. R. Woodruff, assistant group executive, Bowling Products Division, AMF, Inc., spoke as National Bowling Council President. He outlined NBC programs highlighting development of the Train the Trainers and Certified Lane Inspector Workshop programs; the National Collegiate Bowling Championships; the ongoing tie-in campaign with Eveready Batteries featuring professional bowler Leila Wagner; and television spots which included WIBC Hall of Fame member Marge Higley and her Groovy Grandmas league in an "Hour Magazine" segment. "Through these types of exposures," Woodruff said, "we hope to keep bowling growing in popularity."

President Baker added that Woodruff would be retiring from AMF and the delegates accorded him a standing ovation. Mrs. Baker then introduced other NBC representatives present. From the Bowling Proprietors Association of America she introduced Harry Wells, president; V. A. Wapensky, executive director; and Jamie Brooks, vice president. From Brunswick Corporation she introduced Aaron Deskins, president, Brunswick Division; and James Buick, president, Brunswick Recreation Centers. From AMF, she introduced Jack Graziano, director of advertising and promotion, Bowling Products Group. She also introduced H. Wesley Bogle, ABC president; Betsy Montanya, NBC public relations director; and from WIBC, Mrs. Duffy and Mrs. Gladys Banker, Charles Town, W. Va., WIBC vice president; and Miss Flora Mitchell, Greendale, Wis., executive secretary-treasurer.

President Baker introduced the 1984 Alberta E. Crowe Star of Tomorrow Award winner, Kristine Gross, Citrus Heights, Calif., and presented her with her award.

President Baker then introduced Mrs. Marge Higley, Orange, Calif., the WIBC Hall of Fame member mentioned earlier, and presented her with a special award for bowling in her 50th WIBC Championship Tournament, only the third woman to reach that milestone. She also introduced Mrs. Mary Covell, Chicago, Ill., who was bowling in her 53rd WIBC.

Harry Wells, BPAA president, spoke of the necessity for the bowling family to develop a coordinated long range plan to help deal with the changes that have taken place and are taking place in American society. "Good things are happening in our industry," he said, "but I believe many, many more must happen."

President Baker introduced Arthur Gellman, vice chairman of Conbow Corporation, owner of the host bowling centers for the 1984 WIBC, and Michael Kurutz, manager of the two centers, Thunder Bowl and Beverly Lanes. She also introduced Chuck Pezzano, member of the WIBC Hall of Fame selection committee and a National Women Bowling Writers award winner.

President Baker began the WIBC Hall of Fame ceremonies by saying that, since the Hall of Fame was started in 1953, 82 women have been inducted, not including the 1984 selectees.

She presented the Award for Superior Performance in the Game of American Tenpins to Joy Abel, Lansing, Ill. Miss Abel was the second woman named to receive the Star of Tomorrow Award. Major titles in her career included the 1966 WIBC team championship, 1966 BPAA All Star tournament, 1965 and 1966 BPAA National Team tournaments, and 1962 and 1964 BPAA National Doubles tournaments. She won Woman Bowler of the Year honors in 1966.

"Ladies, we welcome your joint support in the various departments of the Congresses which serve both men and women. And particularly I am referring to the certification department..."

H. Wesley Bogle
ABC President

Miss Dorothy Rowe, Phoenix, Ariz., WIBC vice president, presented the award for Superior Performance in the Game of American Tenpins to Loa Boxberger, Russell, Kan. Mrs. Boxberger won two WIBC team titles, in 1969 and 1973, and the 1978 WIBC Queens tournament. She also won the 1974 Brunswick Red Crown Classic, two other titles on the women's pro tour and successive Japan Pearl Cup titles.

Bob Zellner, Bowling Writers Association of America president, emphasized that the communications process is a two-way street. "On the local level, I have seen you ladies go out and sell WIBC," he said. "And I hope you will do the same thing in your own communities selling bowling to the newspapers."

President Baker introduced Al Spanjer as project director for the Budweiser/Bud Light Hall of Fame tournament and also introduced Rose Ann Hoffstetter, marketing director for the National Bowling Hall of Fame and Museum.

Arthur Gellman, Conbow Corporation vice chairman, upgraded their pledge to the National Bowling Hall of Fame and Museum from $5,000 to $25,000. Mrs. Banker, representing the NBHF/M, accepted the pledge.

Mrs. Carmen Walton, Toledo (Ohio) WBA president, extended an invitation to the delegates to attend the 1985 WIBC Championship Tournament and Annual Meeting.

The President's Awards for outstanding support of the 1984 WIBC Championship Tournament were presented to Washington, D.C. Area, 130 teams, and Michigan, 690 teams, for most entries from a local and state association outside the hostess state; Leon, W. Va., 42.55 percent (four teams), and Maine, 5.35 percent (34 teams), for most entries in proportion to membership from a local and state association outside the hostess state; and New Berlin, N.Y., 55.55 percent (seven teams) for most teams in proportion to membership from a local association within the hostess state.

President Baker explained that no invitations were received for the 1988 WIBC Championship Tournament prior to the deadline, and that under the authority of the WIBC

Bylaws she had selected and the WIBC Board had approved the Reno/Sparks/Herlong (Nev.) WBA and the Capitol City (Carson City, Nev.) WBA as co-hostess associations. Mrs. Baker said it was the first time the tournament site was selected using this procedure and the first time two associations were selected to hold the tournament.

Betty Barnes, Reno/Sparks/Herlong WBA president, and Karen Williford, Capitol City WBA president, outlined the advantages of their areas and invited the delegates to attend the 1988 events.

Mrs. Shirlee Kutzner, Nutley, N.J., WIBC director and president of the National Women Bowling Writers, acknowledged the NWBW special award winner and reported on the group's activities.

President Baker presented awards to the Springfield (Ill.), Shelby County (Ind.), Michigan, Greater Grand Rapids (Mich.), Pontiac (Mich.), Minneapolis (Minn.), Dallas (Texas), Galveston (Texas), San Antonio (Texas) and Marinette and Menominee (Wis.) WBAs honoring the 50th anniversary of their affiliation with WIBC.

The Monday morning session was recessed until 2 p.m.

Mrs. Agnes Duffy, Richmond, Calif., WIBC vice president, moved to dispense with the reading of the 1983 Annual Meeting minutes in view of the fact the official minutes of record were reviewed and approved by the WIBC Board of Directors on November 14, 1983, subsequently printed in the Annual Report and distributed to all state and local associations. Mrs. Lo Borschuk, Sioux City, Iowa, WIBC vice president, seconded and the motion carried.

President Baker presented her report, printed elsewhere in this Annual Report. She spoke of the need to promote WIBC membership. "Perhaps when we look back and see what interested us (in bowling) we will know how to get others interested," she said. Mrs. Baker also reported on WIBC's joint efforts with ABC in the Certified Lane Inspector Workshop program and in co-funding and administering the certification department beginning August 1, 1984. She said, "It is time that the bowling family recognized that women, as in the Women's International Bowling Congress, should have a greater say on what goes on in the bowling industry."

President Baker then presented the first WIBC Spotlight Awards. The award recipients were judged best among those that entered in five local and two state association membership categories. Local association recipients were: the Lake Havasu City (Ariz.), Hannibal (Mo.), Napa Sonoma (Calif.), Austin (Texas) and Houston (Texas) WBAs. State association recipients were the Montana and Ohio WBAs.

Miss Flora E. Mitchell, Greendale, Wis., WIBC executive secretary-treasurer, presented her report; also printed elsewhere in this Annual Report. Miss Mitchell reported on WIBC membership and referred to WIBC's Bowling Booster program, which she said, "helped to keep the (membership) decrease at a lesser point than it might have been." She then announced the Bowling Booster program would be enlarged.

President Baker placed in nomination the name of Miss C. Jean Shonka, Brigham City, Utah, WIBC director, for member emeritus. Mrs. Lo Borschuk, Sioux City, Iowa, WIBC vice president, moved that Miss Shonka be elected. Mrs. Joyce Deitch, Las Vegas, Nev., WIBC vice president, seconded, the motion passed, and the title was conferred on Miss Shonka.

Miss Mitchell then gave the treasurer's report for the 1983-84 season through February 29, 1984.

Mrs. Borschuk, chairman of the legislative committee, presented the committee's report, containing the proposed amendments, and reviewed the procedure for their consideration. The delegates then took action on them. (Refer to special section of the Annual Report.)

Mrs. Borschuk then moved for acceptance of the report as amended. Mrs. Sylvia Broyles, San Antonio, Texas, WIBC director, seconded, and the motion passed.

Mrs. Borschuk then presented an oral report on equipment specification changes approved by the WIBC Board of Directors at its April, 1984, meeting. This included revised minimum bowling pin weights (effective August 1, 1985) and gutter depth modifications, new certification regulations and procedures to be followed upon withdrawal of a bowling lane certification (effective August 1, 1984).

Mrs. Borschuk presented the following resolution:

"RESOLVED, That Section II of the Articles of Incorporation of the Women's International Bowling Congress, Incorporated be amended to read as follows:

"3. To have and exercise a general care and supervision over all WIBC members, and to maintain and increase internationally the interest in the bowling game by women.

"4. To foster the spirit of good-fellowship in the bowling game by offering organizational guidance and supervision over WIBC membership organizations.

"5. To conduct an annual WIBC Championship Tournament for its members.

"6. To encourage amateur participation in the sport of bowling and to develop programs to increase in bowling skills among amateurs.

"7. To conduct a National Amateur Championship Tournament.

"FURTHER RESOLVED, That Section III of the Articles of Incorporation of the Women's International Bowling Congress, Incorporated be amended to read as follows:

"III. The number of directors of such corporation shall not be less than three (3) and shall be fixed by the bylaws."

Mrs. Borschuk moved for adoption of the resolution, Mrs. Deitch seconded and the motion passed.

Mrs. Kathleen Nell, YABA executive assistant, presented awards to winners of the YABA tournament held April 7 at Thunder Bowl.

The Monday afternoon session was recessed at 4:35 p.m.

TUESDAY MORNING SESSION

WIBC officers, directors and delegates assembled at 9:30 a.m., Tuesday, May 1, 1984, in the Niagara Falls International Convention Center, President Baker presiding. Mrs. Joyce Deitch, Las Vegas, Nev., WIBC vice president, offered a prayer.

Mrs. Anne Simone, Sunderland, Mass., WIBC sergeant-at-arms and legal committee chairman, summarized the committee's report. She commented on associations doing all they can to obtain league average reports before resorting to legal action and recommended quick action in cases of arrearages.

Mrs. Agnes Duffy, Richmond, Calif., WIBC vice president, presented the National Bowling Council report highlighting the "Shake 'em Up" and "Let Loose" advertising programs and the conducting of a psychographic survey designed to determine what motivates bowlers to bowl.

Mrs. Duffy also presented the following resolution:

"RESOLVED, That a committee working under the auspices of the National Bowling Council be authorized to continue testing various procedures to improve the pace of bowling in sanctioned leagues during the 1984-85 season and to permit modification or variances in existing WIBC rules for leagues participating in any test program."

Miss Dorothy Rowe, Phoenix, Ariz., WIBC vice president, seconded, and the motion passed.

Mrs. Duffy also presented the BVL Fund report, noting a record contribution of $947,806.24 for the 1982-83 season. She highlighted leading associations in contributions and then announced that Mrs. Helen Duval, Berkeley, Calif., WIBC Hall of Fame member, would be the BVL Fund honorary chairman for 1984-85.

Mrs. Gladys Banker, Charles Town, W. Va., WIBC vice president, presented the report of the National Bowling Hall of Fame and Museum committee, reporting on the schedule for the Grand Opening of the Hall of Fame and Museum as well as on the success of the Budweiser/Bud Light Hall of Fame Tournament in raising funds for the Hall of Fame. She recognized specific delegates for outstanding efforts in promoting the Hall of Fame event.

Miss Susan Shobe, WIBC tournament coordinator, was presented a plaque commemorating her 10 years of helping hostess associations prepare for the WIBC event. A living tribute was also made in her name to the National Bowling Hall of Fame and Museum by the presidents of the associations who hosted the last 10 WIBC events.

Additional donations were made to the Hall of Fame by delegates from various associations.

NOTES TO FINANCIAL STATEMENTS
July 31, 1984 and 1983

1. Summary of significant accounting policies

Basis of presentation — Women's International Bowling Congress, Inc. (WIBC), is a nonprofit organization, organized in 1916 and incorporated in 1919 under the statutes of the State of Illinois. It engages in the promotion and supervision of the game of American tenpins for women. The accounts of WIBC are maintained on the accrual basis.

Income taxes — WIBC is exempt from federal income tax under Section 501(c)(4) of the Internal Revenue Code in accordance with an exemption letter dated March 28, 1972.

Materials and supplies inventory — Materials and supplies inventory is valued at the lower of cost, on the first-in, first-out basis, or market.

Depreciation — All fixed assets are depreciated over their useful lives using the straight-line method.

	Years
Furniture and fixtures	10
Office equipment	10
Vehicles	4

Designated funds — Annually, WIBC allocates a portion of its fund balance for various designated purposes.

Subscription revenue — Membership dues in the amount of $1.50 for each league sanctioned by WIBC are allocated to subscription revenue of "The Woman Bowler" magazine.

Retirement plan — WIBC has a qualified noncontributory retirement plan which covers all eligible full-time employees. Total pension expense was $138,169 and $134,166 for 1984 and 1983, respectively, which includes amortization of past service costs. WIBC makes annual contributions to the plan equal to the amount accrued for pension expense. WIBC elected the lump-sum method of funding the initial past service liability of $219,634 when the plan was amended in 1975 and is amortizing the amount for over 10 years.

A comparison of accumulated plan benefits and plan net assets is presented below.

	August 1, 1983	August 1, 1982
Actuarial present value of accumulated plan benefits:		
Vested:		
Retired participants	$ 769,152	$ 760,656

At July 31, 1984, WIBC has advanced $155,000 to the National Bowling Hall of Fame & Museum (NBHF/M), with payment due March 7, 1985. The notes are unsecured and noninterest bearing.

WIBC has agreed to loan Young American Bowling Alliance (YABA) up to $125,000 on an interest free basis, contingent upon matching funds being made available from American Bowling Congress (ABC) and Bowling Proprietors' Association of America (BPAA). At July 31, 1984, WIBC has advanced YABA $100,000, with payment due August 1, 1985.

4. Commitments and contingent liabilities

WIBC has authorized a contribution of $250,000 to National Bowling Council for fiscal 1985, the same amount paid for the years ended July 31, 1984 and 1983, respectively. The 1985 payment is contingent upon the authorization of like contributions from ABC, BPAA, AMF, Inc., and Brunswick Corp.

Bowling Redevelopment Corporation, a fully owned subsidiary of NBHF/M, has a $3 million line of credit with Centerre Bank of St. Louis in connection with NBHF/M's construction of a new museum in that City. WIBC and ABC have agreed to guarantee any borrowings under this line ($2,640,308 at July 31, 1984). WIBC and ABC have also agreed to guarantee the continued operation of the new museum through 1994.

The Board of Directors
Women's International Bowling
Congress, Inc.

We have examined the accompanying balance sheet of Women's International Bowling Congress, Inc. (WIBC), at July 31, 1984 and 1983, and the related statements of revenue, expenses, and fund balance and changes in financial position for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. The financial statements of Bowlers' Building Corporation (BBC), an unconsolidated subsidiary in which WIBC has a 50 percent interest, have been examined by other independent auditors; insofar as our opinion on the financial statements relates to data included for BBC, it is based solely on their report. In the financial statements, WIBC's investment in BBC represents 22 percent and 23 percent of total assets at July 31, 1984 and 1983, respectively.

In our opinion, based upon our examinations and the report of the other independent auditors, the statements mentioned above present fairly the financial position of Women's International Bowling Congress, Inc., at July 31, 1984 and 1983, and the results of operations and changes in financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis during the period.
